BILL AND MARIE ARE GREAT-GRANDPARENTS
Bill Kaninsky reports that he and his wife, Marie, are great-grandparents now, with the birth of a baby daughter to Mr. and Mrs. Bill Stimpson. Mrs. Stimpson is daughter of Mr. and Mrs. Louis Winn of California (Rosalie Kaninsky, daughter of Marie and Bill). ---0---

WE'RE BACK ON OUR FEET--PART OF THE TIME

Seems some have been mystified by the fact that our car may be sitting out in front of the Messenger office but no Connie around.

We decided a week or so ago to get back to a little outdoor exercise, and took to walking home and back once a day, usually at the noon hour.

If you see us trudging along the Airline at one of these times, think nothing of it. We're walking to settle the old nerves.

And if at any time you come in to the office and we're not there, we'll be there within ten minutes or so, except at noontime. Sometimes we have to go out on the street, to pick up copy or such. We'll be back, though, if the office door is unlocked. If it's locked, you'll know we've either gone home to dinner or quit for the day.

We agree that it's unfair to advertise "Get your subscription in" and not be here when you come. We'll try to be here most of the time--but we insist on that walk out the Airline once a day. Like we say, though, we'll be back in an hour at noontime, or at one o'clock, and at any other time we'll be back within ten minutes or so during the rest of the day.

ICE FISHING GOOD ON WEIDMAN MILL POND

Ice fishing is reported good here, with pike hitting strong. Bluegills have been slow, according to word from the fishermen.

Don Sheahan of Rosebush got a fine big pike last week, and others have reported similar catches.

T. L. Percha of Mt. Pleasant reported catching the first Northern pike on the millpond this year, a 29-inch fish weighing 5 pounds, 14 ounces.

FIRST YULE TREES

The first Christmas trees of this year came to Weidman on trucks Tuesday, emphasizing the fact that the big day is only 16 days away.

Some thirty Famo feed dealers and customers left last Thursday from the Harris Milling Company in Mt. Pleasant as guests of the company, on a two-day planned tour of Chicago. The International Livestock Show was the main point of interest of the tour, and was attended by the entire group Friday afternoon. Harris Milling Company sponsored the tour in appreciation for the enthusiastic reception of Famo feeds.

In the above picture you'll see several Weidman area dealers and stock feeders.

FARM BUREAU DRIVE STARTS THIS WEEK

The annual Farm Bureau membership drive began Monday of this week, with a kickoff dinner at the Methodist Church in Mt. Pleasant.

Mr. and Mrs. Clyde Beutler and Mrs. Flora Wood expected to attend. Mrs. Ellen Thompson is chairman for Sherman Township.

Clyde is on the County Board for Farm Bureau. ---0---

BETTER THAN A LETTER WEIDMAN MESSENGER

In the Editor's Mail!

Dear Connie:

Our baby Dee is recovering very nicely from her burns. They allowed me to feed her yesterday which made me so very happy. She chattered, smiled and played while we were there and seemed so much better. They put lanolin on her burns to soften the scab tissue and peeled it off and they are healing very nicely. Don't think that the scarring will be too extensive.

Mom Momany got here at 11:40 Thursday a. m. and we haven't stopped talking one minute since.

Anne Momany
San Antonio, Texas.

WEIDMAN STATE BANK TO TAKE SATURDAY AFTERNOON OFF

At a meeting of the directors of the Weidman State Bank, Monday evening, it was decided that, in keeping with the trend of other banks in the county, the Weidman Bank will close one afternoon each week.

Beginning with the first week in January, the Weidman State Bank will close each Saturday at 12 noon. It is the opinion of the directors that it is much better to close at noon on Saturday than on any other day of the week.

RITA SCOTT IS 11 YEARS OLD

Rita Scott observed her 11th birthday Saturday by entertaining a number of her friends at a party. Those present were: Carol and Sandy Gross, Carolyn Vandlen, Anna Mae Smith and Janet Dillenbeck. A lovely lunch was served and Rita received many nice gifts.

MIDDLESWORTH'S HAVE POSTING BOX FOR SANTA

Middlesworth's IGA Food Market has a Santa Claus letterbox in the store, where children's letters are addressed to them and will be mailed and postmarked from Santa Claus, Ind.

Parents are advised to talk with the Middlesworths about this unique holiday feature.

Wieber Well Comes in Dry

The Merrill Drilling Co. of Mt. Pleasant reported the Margaret Wieber No. 1 well struck water in the Dundee at 3837 feet, last week, and was a dry hole. The well is situated southwest, sec. 11, Nottawa.

Leonard Oil Co. had moved in a standard rig on the Grewett Cliff Estate No. 1 at Weidman. ---0---

Masons Elect Officers for Year

The Weidman Masons elected officers last week, and will hold open installation jointly with Mt. Pleasant.

The following officers were elected and will be installed: Worshipful Master, Wayne Charnes; Senior Warden, Carl Ratliff; Junior Warden, Floyd Dutcher; treasurer, Fey Middlesworth, for the 28th consecutive year; secretary, Jack Ritchie; Senior Deacon, Glenn Gorby; Junior Deacon, Charles McWilliams; Tyler, Clayton Dutcher.

Installation will be jointly with the Mt. Pleasant lodge, at Keeler Union ballroom, on campus at the College in Mt. Pleasant, next Wednesday evening, December 14, preceded by dinner at 6:30, at Keeler Union. Tickets for the dinner are on sale through Jack Ritchie for Weidman and Charles McWilliams for Barryton. The dinner and installation are open to the public.

---0---

INTERNATIONAL TEA WELL ATTENDED

The International Tea sponsored by the Extension Clubs last Friday afternoon was very well attended.

The afternoon program featuring the 66-all-girl Shepherd School Glee Club, under the direction of Mrs. Agatha Swenson, was superb.

In the Editor's Mail

I'm almost too ashamed to write this letter but as the saying goes better late than never. I have written a letter at least a half dozen times to you. but some how, it never got mailed.

Way back in January, my sisters arranged for a birthday card shower on me, as it so happened I wound up in the hospital and spent my birthday there. I just can't thank those kind

people enough, friends and relatives who sent me all of these lovely cards.

Special thanks to the lady who sent the money.

It meant so much to me to get all those cards when I lay in bed feeling so blue. I shall never forget how much better they raised my spirits. I am very sorry it took me so long before you received this letter.

You are to be indeed congratulated on the new style and size of your paper. You certainly have made it a big success.

With best wishes for everyone and a blessed and joyous holiday season.

Wilma (Starr) Slater

BEAL CITY LOSES OPENER IN CONFERENCE

Last Friday Beal City opened their Tomahawk Conference play in basketball and went down to defeat at the hands of powerful Harrison by a score of 57-27.

The Beal City reserves made the debut of their new coach, Al Peters, a successful one, as they rolled to a convincing 45-34 win over the Harrison Juniors.

In the last quarter the Aggies held Harrison scoreless while rolling up 14 straight points, to come out on top 45-34. Terry Kavanaugh was the big noise for the Aggies with 13 points. Paul Thielen and Dick Paisley played good ball, also.

WEIDMAN WILDCATS LICK MECOSTA LAST WEEK

The Weidman High School Wildcats proved strong contenders in the Mecosta-Isabella League last week by romping over the Mecosta Broncos on the home basketball court, 65-36, before a good home crowd.

Led by Dale Gatehouse, who netted 24 points for game honors, and Center Jim Carrick, Weidman led throughout the four quarters and was never in any danger. With these two lanky Seniors showing superb rebounding power and faking abilities, especially Gatehouse, Mecosta was unable to get started.

Junior Dennis Embrey put on a good scoring show in the first quarter by hitting on 7 of 9 buckets.

The Weidman Reserves also copped their game.

Health Department Plans Clinic

The Central Michigan District Health Department announces the establishment of an out-patient Clinic to be held Monday of each week at its main office 610 South College Avenue, Mt. Pleasant.

The Clinic will operate during the hours 10:00 a.m. to 12:00 noon, and from 1:00 p.m. to 4:30 p.m.

The Clinic is offered for the purpose of those who wish to receive

immunization injections or information about immunizations. Included is the immunization inoculations and vaccinations are those for the prevention of paralytic poliomyelitis, whooping cough, diphtheris, tetanus or lockjaw, small pox, typhoid and para-typhoid fever, and skin tests for tuberculosis.

Injections for the prevention of paralysis) are limited by law to a priority group which includes anyone between the ages of one year through and including age 14 years, and cases of pregnancy of any age. Anyone in this priority group may receive the series

of three injections, or may receive a second or third dose, if they have had previous injections.

Most of the inoculation procedures require at least three visits to the Clinic according to Dr. Earl D. Hamilton, Director, who says there will be no charge for this service or for the materials used and that the clinic may be used by all irrespective of economic status.

ODD AND INTERESTING FACTS from the LEONARD NOTEBOOK

Crude oil boils - and becomes 6 liquids in the LEONARD tower of trays!

Raise crude oil to a temperature of 650 degrees fahrenheit, let it vaporize and rise slowly to a height of 100 feet. As these rising vapors hit cooling trays at different elevations they liquify to form different fuels. That's part of the Leonard recipe for making gasoline.

In Leonard's huge crude-oil fractionating tower there are 6 draw-off trays, with a different boiling range at each level. At the lowest level—where the highest temperature exists—is found reduced crude oil. Just above it is the tray that flows with domestic fuel oil, above that kerosene, then naphtha, next raw gasoline, and from the top comes gases that can be refined into butane, propane, and other highly volatile fractions. This is just one step in the process that gives you x-tra octane Leonard X-tane.
