happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

America's largest selling car—
2 million more owners than any other make.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whiplash, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

Young Bride Is Polio Victim

Mrs. Donald Krueger (Rita Doerr), a bride of June 9, was stricken last week with an illness finally diagnosed as polio after she was rushed from Community Hospital to an iron lung at Saginaw General Hospital last Thursday. The illness is regarded as of a type difficult to diagnose immediately, it was stated this week.

Rita was taken by ambulance from the Mt. Pleasant Hospital, with police escort and a doctor administering oxygen with a resuscitator on the way. She was paralyzed from the neck down, and was unable to breathe or swallow unassisted. She was out of the iron lung Friday, however, and placed in a hospital bed.

Tuesday reports were that she was still in serious condition but was somewhat better. Her spirits are good, and she could swallow Monday. She was breathing with the help of a respirator which was taken off for half an hour Monday.

Cards and letters from her many friends will be welcome, her family advises this paper. Her address is Saginaw General Hospital, Second Floor.

Cleaning Up Our Mailing List

Our thanks to all those of you who have come in and paid your Messenger subscription, and those who have mailed it in.

There are some, however, who have not paid as we go to press this week.

We shall be forced to take off all unpaid subscriptions this weekend, July 14, to keep our list in the paid-up class. We have to do this to survive, as all small newspapers must do in this slightly rugged day and age.

Thanks for reading us.
