Basketball NEWS

By Bob Gross

One of the biggest basketball attractions ever to be staged in the Weidman High School gymnasium will be given the spotlight Saturday night, Feb. 23, when Central Michigan College's great track and football star, Jim Podoley, and his CMC All-Stars will meet the Weidman Hot-Shots at 8:00 p. m. Regular admission will be charged, with the Junior Class sponsoring the event. Podoley manages the All-Stars, and this contest will be one of many presented in the Central Michigan area. The team has sent 64 invitations to surrounding communities. Not much has been discovered about the tall squad from Mt. Pleasant, but one thing that can be established is that the team will be good. They are composed of Mt. Pleasant City League players and Central Intramural boys. The biggest factor about the team will be the height.

Weidman, on the other hand, could give the rivals considerable trouble in matching fine set-shot and ball handling exhibitions. They have been practicing in the gym once a week. The Weidman Business Team, which beat the High School Faculty in a 56-50 March of Dimes game, has scrimmaged the Hot-Shots, and the recent high school graduates have supplied real stiff competition. The team is composed of Jim Carrick (19-56), Joe Clark (1956), Dick Cook, Bob Gross and Gale Krueger (1955) and others who have been working out.

It is known that Podoley has his own half-time show and anything that the college puts on for intermission festivities can be assured as being good.

For a full evening of fine basketball, help the Junior Class get a large turnout for this one game. Mark the date on your calendar, Feb. 23, Saturday night.

The same Podoley outfit will play the Beal City Independents at Beal City High School Gym Feb. 28.

PETE LORENZ AND BIG PIKE

Pete Lorenz speared the 19-pound pike shown above, in Coldwater Lake at around five o'clock p. m. Saturday.

He took the huge fish to the Weidman Flower Shop, where Frances Tranbarger took some photos by time-exposure.

The pike weighed 19 pounds, was 41 inches long. Pete used a sucker minnow as lure, and did his fishing in his fish shanty on Coldwater Lake.

This is about the biggest we have heard of, at least this year in fishing around this area.

WCS CHOOSES DISHES FOR CHURCH DININGROOM

Leon McArthur took Mrs. McArthur, Mrs. Arlo Vandlen, Mrs. Dan Carrick, Mrs. L. E. Going, and Mrs. Orrie Merrihew to Grand Rapids last Tuesday where the ladies chose dishes for the diningroom of the Weidman Methodist Church.

The ladies chose white dishes with gold bands and gold monograms of the Weidman Methodist Church. They purchased place setting for 150. The settings consist of plates, pie plates, salad plates, cups and also a generous amount of platters and serving bowls and dishes. Sugars and creamers, glasses and juice glasses were chosen of glass. This is a very nice addition to the Church kitchen, and makes a very attractive setting for large banquets and other dinners so often served to large groups.

You wouldn't think of building a house with poor insulation and an inadequate heating plant if you were going to live here in Michigan. Well—it's just as foolish to buy a gasoline that isn't blended for this variable Michigan weather. Most out-of-state gasolines are blended for regional sales or for their home state weather. They've usually been in storage or transit for months by the time they reach your car in Michigan.

Leonard X-Tane gasoline is made right here in Michigan. There is no compromise on weather conditions and blending processes, because we sell Leonard X-Tane only in Michigan. You get a gasoline that's made for Michigan weather. What's more, it's fresh—there have been no long months of storage and miles of transit to rob it of its high octane, extra power molecules. Leonard X-Tane gives you a smoother, more powerful, and more economical ride. Try it today.
