**Old Time
Museum Repeats**

Members of the Methodist Youth Fellowship group, a responsible and hard-working batch of teenagers, ask that the public bring in its antiques and old-time treasures during the week of June 24, to McClain's Garage, where one or more of them will be on hand to receive and take care of your treasures.

Last year's Museum proved such a huge success that the Business Association felt it should be repeated if possible; but the Messenger office, where it was housed last year, is now taken up with offset-printing equipment; and George McClain, Jr., offers his show room provided it is staffed by other than the McClain Garage personnel. The MYF are taking it on, and you may feel your relics of the old days are safe in their hands.

Advisors are Rev. Arlo Vandlen and Kenneth Saunders, with Dick Shook taking the lead for youth.

So start looking now, and decide what to put on display in this fascinating museum of the older days around Weidman.

The Museum will be easier of access by the public, being right on the main street this year. ---0---

**NEW PLAN FOR SOFTBALL
GAMES PUT IN EFFECT**

The WBA has appointed Bob Gross and Gilbert Wark to be in charge of the softball diamond and equipment used at Mitchell Park. It is hoped this will greatly eradicate the bottleneck of delay and confusion in getting the games started on time.

The WBA requests that the teams and all players please leave the diamond and equipment alone, and these two men will see that the field is ready for play for the starting time of each game.

In case of rain, it will be up to these two to decide whether or not the game shall be played or postponed.

It is requested that cars coming into the park or leaving the park while the teams are playing, please leave their lights off until away from the park, as each time lights are turned on, play has had to be stopped until the cars get in or out and the lights no longer shine in the players' eyes. Sometimes this makes for many delays in a double-header and makes the games very late in finishing. A little courtesy displayed by the drivers will eliminate this delay.

The men will be responsible for all scheduled games at the park, whether it is the regular league games, All-Star, or exhibition games.

We feel this is one more step forward in helping make the games more enjoyable for a greater number of people. ---0---

making his home for the past year with his grandparents, the Herman Martins.

**Plans Completed for Big
WEIDMAN DAY JUNE 28-29-30**

Plans are being perfected for the biggest and best celebration weekend Weidman has ever had. Members of the Weidman Business Association have made out a program filling three full days, Friday, Saturday and Sunday, June 28, 29 and 30, with attractions calculated to interest everybody from five to ninety.

The Funfair Shows, the big carnival outfit appearing here last year, will be back, with even better rides and midway than they had last year, the manager of the show advises the Business Association. They will begin operation Friday and continue through Sunday.

For each day, a special feature has been arranged for, beginning with a rip-snortin' softball game Friday night, the playoff of the first half of the season, always a wonderful game.

Saturday night will be the Amateur Contest, which has grown bigger and better with each year of late, followed by a street dance in front of the Weidman Restaurant. Music will be furnished by the restaurant.

Sunday afternoon the Chipewa Wranglers will stage another rodeo, a very popular event last year. This will be held in Mitchell Memorial Park, and it is a beautiful and thrilling show.

The Lions Club of Weidman is planning a couple of entertainment features, and other clubs and organizations may put on other attractions. Street space for booths is available to any organization or individual, the Business Association advises.

**WSCS TO SERVE CHICKEN
DINNER WEIDMAN DAY**

The WSCS of the Weidman Methodist Church are planning a chicken dinner for the public Saturday, June 29, beginning at 11.30 a. m.

There will also be rugs and aprons for sale.

This will be a plate dinner, served in the dining room of the Masonic Hall. ---0---

**AS USUAL, WE WERE
CRAMPED FOR SPACE**

As happens nearly every week on the Messenger, the staff like to go nuts Tuesday afternoon trying to get all the news in that comes in.

We do appreciate those who bring in news items and news stories. We do appreciate especially writeups of special doings.

**Boat Motor
Given Away**

As part of the Weidman Day celebration, the Weidman Business Association is offering a 10-horsepower outboard motor free to the lucky winner, and also a boy's or girl's bicycle.

Last year a bicycle was given away, and it proved such a popular affair that it was decided to repeat.

The outboard motor, a Good-year, is a top-notch accessory for boating, and it is also expected to be a popular detail. ---0---

Obituary

LAWRENCE SMITH

Lawrence Smith was born April 1, 1889, in Sherman Township, the son of Henry and Lucy Smith. He passed away June 4, 1957, at the age of 68 years.

When six years of age, the family moved to the present home in Sheridan Township, Mecosta County, where he spent the rest of his life.

He never married, but was devoted to his home and loved ones, always thinking of their welfare before his own. He suffered a stroke in December, 1956, from which he never recovered. He was very patient throughout his long illness.

He was preceded in death by his parents, two brothers and three sisters. He leaves to mourn his passing, a brother, Gordon, several nieces, nephews, and cousins, besides a host of friends and neighbors.

**Fishing Contest
Starts Saturday**

The fishing contest winding up Sunday, June 30, last day of the three-day Weidman Day celebration, begins this Saturday, June 15, for anglers of all ages, on the Weidman mill pond.

Three classes are planned, bass, pike and panfish, and prizes will be awarded for biggest fish, according to weight and measurement. There will be a children's division, with appropriate fishing tackle prize. Prizes for the other three divisions also will be tackle, and good items.

It costs nothing to enter this fishing contest. If you land one that seems to you worth recording, stop at Smitty's Leonard Service Station at the north edge of town, nearest the pond, and Smitty will weigh and register your catch. All fish brought in there will be officially entered, and on Sunday, June 30, the biggest fish in each class will draw the prize.

Always so true, unselfish and kind,
Few in this world his equal you'll find;
A beautiful life that came to an end,
He died as he lived--everyone's friend.

Conservatism!

It might be called another name for "caution." An elephant is conservative when he carefully tests a bridge, before crossing it, to make sure it will bear his weight.

Similarly, a conservative bank is careful about the financial bridges it crosses. Their strength and soundness are carefully tested before proceeding.

This type of conservatism is necessary if the bank is to merit your confidence as a sound and dependable financial institution.
