SO WE WENT AND TOOK OUR "VACATION"

So we took our semi-annual vacation last week, getting out no issue of the Messenger. A few forgot about reading of it in our column of week before last, and called the office, wondering why they didn't get their Messenger. Most folks read and remembered it, and the skip gave us a breather from publishing, even though we had saved up so many odd jobs we worked good and hard during our so-called vacation.

We realize we sort of crossed up our July subscribers, whose subscriptions were coming due just about the time we took our vacation. Many came to the shop and found the door locked.

We're extending the July deadline date till August first, now, to atone for our discourtesy to those who tried to pay up on time.

So we pick up where we left off, and set about getting out the Messenger week by week.

DID YOU KNOW

That Paul Schafer did the wiring on the Weidman Business Association's new project at the park, the snack stand and the public rest rooms, and said, "No charge," for his labor?

We think this was a very fine thing to do, as Paul is not a member of the Weidman Business Association, but comes from Nottawa.

Many of our Nottawa friends have done nice things for the town of Weidman, in a spirit of friendly neighborliness.

We believe the Messenger speaks for the town of Weidman in saying, "Thanks, Paul!"

And in expressing appreciation for all favors, past and present.

---0---

Which also reminds us that the Weidman Business Association requested, at its last regular meeting, a Thank You to Walter J. Smith for his work at the park with his tractor, Russ Maeder for bulldozing the ball diamond, and Orville Branson, Don Thorpe and Jerry Strauss for their work on the diamond.

JO ANN ROE

Our readers will pardon us for braggin' about family achievements, but we just can't help bustin' out.

Jo Ann Roe, youngest daughter of Mr. and Mrs. Robert Roe of Harrison, who is spending the summer as an apprentice at the Cherry County Playhouse in Traverse City, played one of the major roles, the Evil Dwarf, in "Snow White and Rose Red" Friday, July 5, when the Cherry County Junior Players presented their first children's play. Jo Ann also appeared over Traverse City's television station.

An apprentice (Jo Ann finished her first year at Michigan State University this spring) is put to work lugging scenery around, folding and unfolding chairs, and doing any other heavy but non-creative work that has to be done, while given the privilege of studying the plays the more advanced students put on.

Jo Ann's chance to appear in the Junior Players' first presentation came in true theatre style, when the actress who played the part originally became ill with laryngitis and the afternoon before the show, Jo Ann was cast to fill in. From that moment there was no rest for her, as director and producer kept her busy perfecting the part.

Her performance won acclaim from both the producer and the director who had worked her so hard to prepare for the part.

Jo Ann has been cast, after that performance, in the leading role in "Puss in Boots," which will be presented Friday, July 19 and again on the 26th, at 11 o'clock a. m., at the Playhouse at Traverse City.

July 23--Sherman Extension Group will meet for a noon picnic (pot luck) at the farm home of Frances Going.

LOCAL ITEMS

Mrs. Leo Wood recently received word of the death of Harry Brand of Battle Creek. Harry was the son of Mrs. Truman Brand of Athens. Mrs. Brand was the former Orvilla Kirvan.

Mrs. Fey Middlesworth and K. C. Charnes.

Miss Carolyn Straus and her mother, Mrs. Herbert Straus, attended the Harrison Fourth of July celebration where Carolyn was Weidman's candidate in the Harrison Miss Independence Queen contest.

They were guests at a banquet Wednesday evening, July 3, which was attended by the state's big names in politics, including Gov. Williams.

At a dance following, Carolyn danced with the Governor.

Carolyn's formals, worn at all official functions at Harrison during the two days, were of blue net and lace, and orchid lace, both over taffeta. She was one of the Queen's Court on the Queen's float in the big Harrison Fourth of July parade.

A girl from Clare was chosen Harrison's Queen. Weidman was very proud to send its Queen of the Firemen's Ball to represent this area.

In Memoriam

In memory of our dear baby son, Wade, who passed away at the age of seven months July 18, 1954.

Three years have passed, how long it seems! But in our hearts your face still beams. For we who loved you only know How much we lost, three years ago! What beautiful memories you left behind, even though you were here only a short time. Sadly missed by The Don Alwood Family.

In Memoriam

A tribute of love and remembrance to our husband, father and grandfather, Asa A. Haight, who passed away suddenly July 11, 1953. Time takes away the edge of grief,

But memory turns back every leaf; And though his loss was hard to bear, Loving memories keep him near. Sadly missed by his wife, children and grandchildren. ---0---

Suppose you had servants instead of electricity...

If you did, it would cost you about \$50,000 more each year!

That's because in the average American home electricity does jobs equal to the manual labor of more than 30 servants working a 40-hour week. Multiply that by 75 cents or \$1.00 an hour, and the figures skyrocket.

Next time you look at your electric bill, think of it as your payroll for 30 servants. Mighty low wages—don't you agree?

DON'T BUY ANY CAR BEFORE YOU DRIVE A CHEVY . . . ITS BEST SHOWROOM IS THE ROAD.

Beauty in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable *roadability*, the crisp precision handling that has posted an entirely new standard for cars in every price class. There are reasons for this, of course: Chevrolet's balanced weight distribution that takes

excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's a car specifically designed for beautiful motion—you have to *travel* in this one to know just how terrific it is. Try it, this week!
