SO WEIDMAN HAD A REAL CIRCUS

Small boys of Weidman had a day in heaven last Friday, all day, feeding the three elephants with the Benson Bros. Circus which showed here Friday night.

The biggest elephant was especially co-operative. It would grab all the clover and grass a small boy could hold in his arms, tuck it into its mouth, and immediately reach its trunk for the next boy's contribution. Small boys worked like the dickens, pulling grass and clover for those elephants --but what bliss! Real live elephants, tame enough to be fed by youngsters!

The show that night was well attended by area folks, and was well received. We suspect that one or two of the acts were once in the big time, on the road to small towns now the great circuses have given up their tents.

The circus, sponsored by the Weidman Business Association, netted the Association around \$83, its percentage of tickets sold. The money will be used to help pay for new buildings in Mitchell Memorial Park this summer, built by the Association for the Weidman Day and summer use of the park.

Peter Esch cut brush and willows around the mill pond bridges, so fishermen can see the bridges.

A good civic contribution, Pete! ---0---

Mrs. Frances Going was hostess to the Sherman Extension Group at the Goings' lovely farm home at Sheridan recently.

Twelve members and three visitors enjoyed the pleasant trip and the bountiful pot-luck dinner. The visitors included Della Warner, Cecil Smith, and Elizabeth Neubecker.

Following dinner a business meeting was held with the following officers elected for the coming year: chairman, Viola Curtiss; vice-chairman, Claribel Beutler, secretary-treasurer, Nina Forbes; recreation leader, Deborah Benn; reporter, Arlene Leiter; and project leaders, Frances Going and Lillian Johnston.

The next meeting will be held in September, as soon as possible following the Leader Lesson on the Christmas work shop, which is always the first fall lesson. Mrs. Lillian Johnston will be hostess for this meeting.

Plant Pike At Lake

Walleye pike fingerlings, averaging 2.75 inches, were planted in Coldwater Lake July 10. We hope the 6,000 little guys will make better fishing conditions in the lake.

The Barryton Rod and Gun Club, to which Weidman and Beal City belong, were responsible for the planting. They will be planting every fourth year from now on, depending on the surveys and the creel count catches made by the Conservation Department.

This winter the members of the Barryton Rod and Gun Club and those who aren't members will build an artificial walleye spawning bed 60x20x18 feet on the north side of Coldwater Lake on the big sand point. This will be supervised by the Fisheries Supervisor for this area, H. Peterson. The outcome of the spawning is to try and get the walleyes in Coldwater Lake to reproduce.

Boy Scouts Have First Campout at Sandy Banks

Troop 143, Boy Scouts of America, had their first campout Saturday night at Sandy Banks. David Flower is scoutmaster and assistant scoutmasters are Mitchell McArthur, Dan Carrick and Carl Kinsman.

Twenty-four boys enjoyed pitching their tents, cooking their meals and sitting around first council fire Saturday evening. The evening was spent in singing and telling stories. Jack Scheall, Scout Executive, of Mt. Pleasant, was present as was John Berryhill, scoutmaster of a Mt. Pleasant troop. Mr. Scheall complimented the boys and their leaders for a very well organized first camp-out and council fire. All had a wonderful time but all were tired and hot... and we hear the boys were too excited to do much sleeping Saturday night.

Weidman is proud of its Boy Scouts and Cub Scouts and hopes more and more boys will participate in these fine organizations. The Boy Scouts are sponsored by the Lions Club of Weidman.
