By Connie

## YOU CAN SPEAK YOUR PIECE IN THE MESSENGER

A reader said to us last week, "Of course you have an advantage over the rest of us. You can say anything you want (oh, brother!) in the paper, while the rest of us can only read it."

We pointed out that the columns of the Messenger are open to anyone wishing to write a letter to the editor, on any subject. Only stipulations are that the language is not obscene or blasphemous or libelous, and that the writer sign his or her name. The writer's name does not have to be printed if the writer so requests, but the editor must know from whence the letter came. No newspaper will print anonymous letters, no matter what the content.

It was pointed out to us that perhaps Ernie Loomis would like to present his side of the north-road fishing controversy, and we reply, that Ernie has a right to send or bring in his views, written and signed, and the Messenger will be glad to print them.

No editor is free to print whatever he pleases. We get impatient, same as everybody else. But in black and white, in the newspaper, we cannot let our impatience go. Once it's printed, it's there, and you can't take it back no matter how many retractions you might be forced to print. Therefore, editors are very careful about the content of their columns. Even Connie, even when she pops off as on the subject of the north road, must watch her step.

For the printed word carries weight no other medium possesses, and we who make it our life work have immense respect for it.

So--if you have opinions, on any subject, feel free to write the paper and get them aired. On controversial issues the editor has the right to insist on the writer's name appearing on the piece. You'll notice Connie's name at the head of every column when she sounds off on any subject.

## I Wonder...

Dear Connie:

Is the ratio 5 to 1?

Last week, rainy and sloppy roads. I, fishing on the north road (why bring up the North Road?).

A red pickup came through, I'll swear around 65 miles per. I got a MUD bath.

Five other cars came along, slowed down, showed courtesy and respect. No law covers this. Signed,

MUD SPLATTERED.

## BEAN CROP AT RECORD LOW

Carl Krueger was in the Messenger office Monday, reporting that the yield per acre for white beans in Broomfield Township stands at one to two bushels. This is an all-time low in production for good farming land, as Broomfield mainly is.

Early protracted rains, followed by an extended drouth in midsummer, damaged the crop, but, Carl said, the bean beetle really finished it off.

"I thought it was terrible the year I got 10 bushels an acre," Carl said. "I quit raising beans right then. This year 10 bushels is a good yield."

## Dr. and Mrs. Clark To Observe 60th

Dr. and Mrs. J. H. Clark will celebrate their 60th wedding anniversary Sunday, Sept. 22, at the Masonic Hall dining room, with a reception from 2 to 5 p. m.

All their friends are cordially invited to call on them at that time, and anyone who wishes to attend is very welcome, the Clarks say.

Their children are arranging the celebration and reception. Many around here will want to call on Doc and Mrs. Clark and also visit with their children, now grown and successful in their chosen careers.

The Clarks were married in 1897 and lived at first in Brinton, where Doctor Clark was a school teacher. He was one of the first students at Central Michigan Normal when it was first established.

The Clarks have 13 grandchildren and 11 great-grandchildren. ---0---

## MRS. PETER ESCH ILL WITH HEART CONDITION

Mrs. Peter Esch was taken to Community Hospital Wednesday morning, Sept. 11, where she was put under oxygen. This Tuesday noon, there had been no improvement in her condition.

## ENGAGED

CAROLYN MARIE EMBREY

Mr. and Mrs. Carl Embrey of Weidman are announcing the engagement of their daughter, Carolyn Marie, to Curtis M. Baker, Jr., son of Mr. and Mrs. Curtis Baker, of Denver, Colorado.

Miss Embrey is a Senior at Weidman Community High School and Mr. Baker is attending Central Michigan College.

No date has been set for the wedding.

## Hibberds Hold Reception On Their 60th Anniversary

September showers failed to dampen the enthusiasm of the celebrants when Mr. and Mrs. John Hibberd marked their 60th anniversary Sunday.

Scene of the festive party was the Masonic Hall, where more than 150 relatives and friends called to greet the honored pair.

The silver and crystal appointed refreshment table was centered with a decorated cake, flanked by white tapers and bowls of white dahlias, and phlox and delphinium. Urns of garden flowers and autumn leaves decorated the side tables.

Mrs. Hibberd was attired in an afternoon dress of purple crepe and satin. Her hat was mauve velvet and her flowers were white chrysanthemums. Assisting their parents to receive their guests were Mr. and Mrs. Charles Hibberd, Mr. and Mrs. Nelson Smith of Vermilion, O., Mr. and Mrs. Earl Forbes of Toledo, and Mr. and Mrs. Harley Tietz of Deerfield Beach, Fla.

Mrs. Earl St. John and Mrs. Fay Beutler, niece of the honorees, presided by turns at the punch bowl, while coffee was poured by Mrs. Roscoe Davis and the Hibberds' granddaughter, Mrs. Telford Collins. Serving the cake were Mrs. Floyd Denslow and another niece, Mrs. Earl Moyses. A granddaughter, Miss Phyllis Hibberd, and a niece, Mrs. Harold Straus, were in charge of the guest book.

Other grandchildren present

included Miss Pamela Hibberd, Jay and Johnny Tietz and Mrs. Wayne Vindemulder.

Present also were Mrs. Hibberd's brothers, Wesley Boucher of Holly, and Blaine Boucher of Ardmore, Okla. Other out-of-state guests included Mrs. Catherine Pinder of Chatsworth, Calif., and Mr. and Mrs. Cecil Pomeroy and children of Marion, Ind.

Mrs. Pinder, who is 85, is Mrs. Hibberd's aunt, and for the occasion she sang a hymn and also "Yellow Rose of Texas," accompanying herself on the banjo.

Arrangements for the reception were made by members of the Eastern Star. Serving on the committee were Mrs. Nina Forbes, Mrs. Fey Middleworth, Mrs. Clayton Beutler, Mrs. Allan Navarre, Mrs. Clyde Beutler, Mrs. Ralph Bergquist and Mrs. Wayne Charnes.

Mr. and Mrs. Hibberd have lived on their farm in southwest Sherman Township for the past 49 years. They came here from Barberton, Ohio, where Mr. Hibberd was a native son. They are among our oldest and best-loved citizens.

Mrs. Hibberd is a daughter of Mr. and Mrs. Ami Boucher, who were pioneers in settling the Bundy Hill area. The Bouchers passed on some years ago.

Winnie Baker entered the St. Joseph Hospital in Flint Sunday for observation and possible treatment for arthritis.

## 'North Pond Road, Bridge Will Be Rebuilt This Fall' -- Ernest Bruce

### Married In California

Miss June Marie Winn, daughter of Mr. and Mrs. Louis Winn (Rosalie Kaninsky) of Cupertino, Calif., was married July 2 to Robert Arnold Mangold in Trinity Lutheran Church in Palo Alto.

The newlyweds had a honeymoon at Lake Tahoe and are at home in Sunnyvale, Calif.

The new Mrs. Mangold was graduated from Waller High School in Chicago, and has been employed as a medical secretary for the past five years.

Her husband is a graduate of Sequoia Union High School, attended Stanford University, and served two years in the Armed Forces. He is employed by the Westinghouse Electric Corp. in Sunnyvale.

The bride is a granddaughter of Mr. and Mrs. Wm. Kaninsky of Weidman. ---0---

### NEWS NOTES

Robert Roe and daughter, Jo Ann, of Harrison were Saturday supper guests of his mother, Mrs. Minnie Roe, and Connie.

At a joint meeting of Sherman and Nottawa Township boards last Thursday evening at the Weidman fire barn, it was agreed that the two townships will put up \$1500 as their share of the cost of fitting the north road over the mill pond for blacktopping next year, and putting in an eight-foot tube to replace the bridge there, which has been in dangerous disrepair for years.

Ernest Bruce, Isabella County road engineer, was present, and he told the township officers that work would be started this fall, and the road will be rebuilt as to filling and grading.

The road will be higher and wider, according to specifications, and this will not only eliminate much of the danger to fishermen along the north banks but will enable the holding of water at higher levels than heretofore.

This is one of the best pieces of news to come to the village of Weidman in a long time, and the two townships are to be congratulated on their foresight and co-operation.

### OBITUARY

#### FRANK BOYD HANDY

Frank Boyd Handy was born at Six Lakes, Mich., March 21, 1884, and passed away at his farm home near Marion Thursday, Sept. 12, 1957.

He was united in marriage to Frances L. Nicholson on June 6, 1910.

He leaves to mourn his death his wife, Frances; two sons, Adam, of Evart, and Richard, of Dalton; three daughters, Marguerite and Zillah, of Evart, and Ellen, of Flint; and seven grandchildren.

He was laid to rest in the Cherry Grove Cemetery after services at the Avondale Church Saturday afternoon.

#### REBEKAH CARD PARTY

There were five tables of progressive pepper played last Wednesday afternoon at the Rebekah card party.

Grocery prizes were won by the lucky ones. First prize was won by Rilla Elias and Esie Dole; Emmaline Ockert won second prize and she also won pepper prize; Lennie Otterbine of Mt. Pleasant received the consolation prize; and Rilla Elias was winner of the door prize.

There will be another party. Sept. 25.

Paula Creed, little daughter of Mr. and Mrs. Paul Creed, of Mt. Pleasant and granddaughter of Mr. and Mrs. Carl Scharrer,

The Nottawa Township Board was approached with a proposition to appropriate money for installation of playing lights at the Beal City public high school athletic field, and a township meeting, open to all qualified voters of Nottawa, is called for Monday, Sept. 30, at 8 o'clock p. m., at the Nottawa Township Hall.

The proposition to come before the meeting, if approved by the Nottawa voters, would empower the Township Board to appropriate money in any amount for any place in the township, at the board's discretion. The appropriations would be for recreational purposes only, coming out of sales and intangible taxes in Nottawa's township treasury.

It is acknowledged that Beal City High School does need playing lights at its athletic field, as its baseball and football teams are outstanding in the Tomahawk League and attract good crowds at games.

Eligible also for recreational earmarked money is Mitchell Memorial Park in Weidman, as the east half of the village lies in the township of Nottawa.

If money for recreational purposes is available, many feel that its appropriation for use is strongly indicated.

### SURPRISE FAREWELL PARTY

Den 5 Cub Scouts of Weidman, held a surprise farewell party on Walter Shaner Wednesday evening, Sept. 11, at the home of Mrs. Esther Skinner, Den mother.

The meeting was brought to order with the Pledge to the Flag, shaking hands in the Cub Scout way, Scout promise, Law of the Pack, and a review of the others the boys had learned to become Bobcats.

This was a review for the boys and Walter's last evening with the other two boys.

They played some games and

still Walter didn't know what was taking place, until Mrs. Grace Seymour and Mrs. Skinner served ice cream, a soft drink and a cake that Wally Skinner had made for an elective. After the refreshments, Wally Skinner and Kenny Seymour sang, "So Long, Cub Scout", and then the two boys handed Walter a pencil-box to remember the Den 5 Cub Scouts by.

Walter Shaner received his Bobcat pin while attending the Farwell Cub Scouts, also his Wolf badge, and a gold arrow. Den 5 boys all joined the Weidman Cub Scouts last Nov. 1. Since then, Walter has passed two more electives so as to receive two silver arrows, and now he has passed his Bear Achievements, which he just finished this last week.

Walter, we wish you all the best of luck in Cub Scouts in the Beaverton area, if they have one. Maybe you can help them to get started up there if they don't have one.

Mrs. Harold Skinner.
