Nothing to buy, but just one guess to a family, Ray says. The store had this attraction during one of its anniversary sales, and it was a huge success. ---0---

Ball Draws Biggest Crowd Ever

A record crowd attended the Firemen's Ball Saturday evening, and the best ticket sales in history were recorded. The crowd liked the music by a Mt. Pleasant orchestra, and all report a wonderful time.

Over \$1138.00 was taken in ticket sales and donations by area people, Fire Chief Ed Fox said this week. Expenses will come out of this, for the musicians, decorations, and so on.

The High School Juniors and Seniors did a grand job of decorating for their Prom and the Firemen's dance, their settings including a pool with water in it, and other delightful details. Fireproof paper trimmings formed the usual low ceiling for the dance.

Proceeds will go entirely to the Firemen's fund, to purchase a new tank for the No. 2 truck, with equipment for the tank, helmets for the Firemen, and so on.

Largely due to advance sales efforts by a crew of ticket salesmen led by Bob Kirvan, this year's dance brought in the largest amount on record for the Nottawa-Sherman Fire Department composed of Weidman volunteers. ---0---

REBEKAHS PLAN FOR DISTRICT MEETING

At its regular meeting last Thursday evening, Weidman Rebekah Lodge planned to initiate at the next regular meeting. Vice-Grand Lucille Smith will give a report on the annual District Meeting tomorrow, April 18, at Shepherd. All members are urged to attend this next meeting.

It will soon be time to select names of children to go to camp this summer. Two girls were sponsored by the Weidman Lodge last summer, and they spent a very enjoyable week at Big Star Lake, near Baldwin.

Gifts were voted for fruit for the Oddfellow-Rebekah Home and for repairs on the Home; also a gift for the Boys' and Girls' Camp fund.

School Consolidation Will Go To Voters

At special meetings April 11, Weidman Community School Board of Education and Nottawa Township Unit Board of Education each passed resolutions requesting Glenn Knapp, Isabella County Superintendent of Schools, to forward to the State Superintendent of Public Instruction a request for approval to hold an election to consolidate the two districts.

This proposal has been studied periodically over several years, but this is the first positive step by the Boards of Education to bring the issue to the people of the two districts.

Their action comes after several weeks of study and joint meetings. Included in their investigation of the proposal was a visit with Dr. Burton Thorn, consultant, school organization and plant, State Department of Public Instruction.

Following this visit, in January, the Community School committee took the proposed merger under consideration and gave it tentative approval.

March 31 a car load of board members and citizens from each district visited the Glen Lake Community School and the Elk Rapids School, where similar proposals have been passed.

Open meetings to discuss the proposition have been scheduled for each local community.

Residents of the Weidman district are urged to go to the Weidman School cafeteria Tuesday evening, April 22, at 8 o'clock p. m., where the proposal will be explained and an opportunity given for citizens to ask questions.

Residents of the Beal City District are urged to attend a similar meeting the following evening at their school.

A printed brochure containing important information on the proposal will be distributed to all residents of the two districts prior to these meetings. ---0---

Oddfellows Serve Chicken Dinner

Serving will start at 5 p. m. and continue till all are served, April 19.

Plans are being made for a new fire escape and for remodeling of the second floor entrance, and new wiring for the building. ---0---

Weidman Artists Honored at Show

Weidman pictures won definite recognition during the art show at the Mt. Pleasant Hardware store in Mt. Pleasant last week.

The show was considered a huge success, with many pictures and other forms of art on display, from artists throughout the Central Michigan area.

An oil painting by Mrs. Claribel Beutler and a charcoal sketch by Stuart Saunders were among the featured items in the store's windows.

Asked how pictures were selected for place of honor, Ed Bixby said in an interview, "We picked what we considered the outstanding pieces. The two from Weidman which you mention are extra good."

Weidman artists made a fine showing, with many pictures on display by our people.

Frances Tranbarger's paintings were featured, in the professional class. ---0---

Boy Scouts to Attend Fair

By M. L. McArthur

The Valley Trails Council is staging a Boy Scout Fair at the Saginaw County Fairgrounds May 10 and 11. All Scout troops in the council will exhibit samples of their work during their terms in Scouting, depicting the theme of worldwide Scouting, with live demonstrations of arts, crafts and nature lure and living.

Leaders of the Weidman Troop are expecting a good representation from our area in this activity.

From the leader standpoint, attendance by Scouts will be very educational, and attendance by their parents will be both educational and interesting--and besides, the boys will be proud to have their folks attend with them.

From all reports this will be a big display of Scout skills and achievements, and will be of interest to all, even children and adults who are neither Cub Scouts, Boy Scouts or the parents of either.

Tickets will be sold locally by the Boy Scouts. They may be picked up at the bank if preferred. Price is 50 cents per ticket, and one ticket admits one adult or two children. Any Scouts and Cubs in uniform, accompanied by an adult, will be admitted free of charge.

Look for the boys to be calling on you soon to sell the tickets. Buy enough for all the family to attend the fair. It will be a nice drive and fun for all. ---0---
