## Young Couple At Farm Home

Miss Shella Frantz, daughter of Mr. and Mrs. Lewis Frantz, was united in marriage to Donald House, son of Mr. and Mrs. Otto House of Shepherd, Saturday, March 22, at 2 o'clock in the afternoon, at the home of the groom, with Rev. Rebul of Shepherd officiating.

The bride was given in marriage by her father. She wore a gown of white net over taffeta, with a corsage of red rosebuds. Matron of honor was Shirley Nolan, her sister, who wore an orchid gown with a corsage of pink carnations.

Donald Daley was best man. The bride's mother wore a blue silk dress, the groom's mother navy blue. Both wore white carnation corsages.

A wedding reception was held at the Crawford Hall. The happy young couple received many lovely gifts. They left on a honeymoon trip to Niagara Falls, and are now at home at their lovely farm home a half mile east of the Crawford Store.

Donald is employed at the Kroger Store in Mt. Pleasant, and plans to do some extensive farming on the side.

They have the best wishes of their many friends.

## In the Editor's Mail

Dear Editor:

I received a letter from Mrs. Amelia Tanner enclosing a paper clipping from your paper requesting old settlers and pioneers of Coldwater Township to call at the Brinton Community Hall March 23.

That I cannot do, but will write a few lines, as I consider myself a Coldwater Township pioneer.

I was born in Detroit Oct. 13, 1865, and came with my parents, James and Maria Mackersie, to their homestead on March 17, 1867.

Father's homestead was located 2 1/2 miles northeast of where Sherman City was plotted later.

I got to know everyone for miles around Brinton. I regret most sincerely that I cannot attend your meeting.

S. J. Mackersie.

### News Notes

Dick Louiselle left for Detroit this week for induction into the Armed Services.

Mr. and Mrs. Robert Cale and Mr. and Mrs. Leonard Johnston spent the weekend on a trip to the Straits.

Response to a ticket-sale drive for the annual Firemen's Ball has been good, Fire Chief Ed Fox said this week.

The drive, under leadership of Bob Kirvan, brought in an amount up to \$700 as of Monday evening, and the drive continues all this week.

Bob and a crew of volunteers have been canvassing house to house in Sherman and Nottawa Townships for contributions for purchase of needed equipment for the auxiliary tank truck, and the report generally has been that people recognize the public need for this and will respond accordingly.

Tickets to the dance April 12 are available at any business place in Weidman, or from the Firemen, and there will be good music provided by a Mt. Pleasant orchestra.

The Fire Chief said this week he is grateful to the workers who collected and are collecting money for fire-fighting equipment, and to the public which responded so well.

Plan to attend the Firemen's Ball. It's Saturday evening, April 12, the night after the Senior Prom, at the school gym.

Tuesday afternoon the Firemen answered a call to the old Holliday place west of Guy Carr's on the Airline Road, to put out a grass fire. On that job, the truck drove over a concealed stump and blew a tire--about a hundred-dollar repair job there.

### SCOUTS TO CONDUCT BICYCLE SAFETY DRIVE

Troop 143, Boy Scouts of America, will conduct a bicycle safety inspection Saturday, April 12, from 2 o'clock p. m. through 5. All bicycles which pass inspection will be marked with Scotchlite reflector tape.

Any persons wishing to have their bikes inspected are urged to see that their units are in good, safe working order.

The Scouts will advise any owners who bring unsafe bikes for inspection, what parts need repair or adjustment. An unsafe bike is as dangerous as an unsafe auto, and the Scouts have pledged themselves to the task of getting as many bicycle owners as possible to get their bikes in good, safe condition, and keep them that way.

A little care may save a life, the Scouts advise, and if one life is saved this project will be a success.

Inspection will take place at the Fox Hardware in Weidman under supervision of Ed Fox, local Civil Defense aide.

## In the Editor's Mail

Dear Folks:

Here is the money for another year of the Weidman Messenger.

I wrote you a couple of years ago about our oldest son, Irvin, winning two pairs of drapes from the tv program "Feather Your Nest." Well, now our other son, Milford, and wife won an 11-inch electric fry pan from Quaker Oats drawing, so now some time maybe it will be my turn. But it's thrilling, anyway, to even know someone who wins.

This should convince people that someone wins all contests, but this U. S. has a lot of people in it, so one is lucky to get his name drawn out.

Milford's wife has just had an operation for gallstones (Jan. 15), so I have one of our granddaughters with us. She is 22 months old. Extra work, but lots of fun.

On Dec. 30 Irvin's wife had an operation for appendicitis, so I guess we have been pretty lucky so far, neither Herman or I have

ever been in the hospital and we've been married over 33 years.

Thanks for taking time to read this (if you do). Be waiting for your paper every week. Sincerely,

Helen and Herman Lueder  
2128 Court St.  
Saginaw.

Seems we goofed in crediting a photo sent in 'way last fall by Mrs. Wm. Cromwell (Lydia Mead) of Flint.

It was a snow scene on the railroad here, and we credited it to Frank Bailey of Keego Harbor. We had a lot of old-time photos in at that moment, and got our credits mixed.

Mrs. Cromwell wrote, in her autumn letter:

"Have just received some of the Weidman papers from my brother Carl in Muskegon. I sure enjoyed every one of them and especially the picture of the old school house.

"I too have some old timers and here is one taken about 1906 or 1907. The big man is the road boss from Edmore, a man named Cole.

"I left Weidman in 1909, so there sure are a lot of changes made. I did see some names that I knew in the papers, but not very many. Hope you can get a picture from this card.

Mrs. Wm. Cromwell  
(Lydia Mead.)

# CALENDAR For Bride And Groom

## One Month Before...

Choose your wedding cake and order it. Next decide what you will serve at your wedding reception or breakfast. It can be elaborate or simple, with just your cake and liquid refreshments for the wedding toast.

The very moment your invitations or announcements are delivered, get all the assistance you can possibly muster to stamp and address them, ready to mail on time... three weeks in advance of your wedding day.

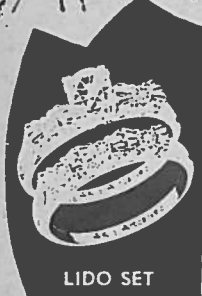

Make a date with the photographer for formal wedding pictures just after your final wedding dress fitting.

Now is the time to go into a huddle with your jeweler and settle your silver problems. Choose your silver and register your pattern with him on his Bridal Registry. He will then guide your family and friends in their choice of gifts for you. It's no trouble for your jeweler, and it's a grand help for your family and friends. Above all, you will enjoy having your service and silver accessories matching.

Flowers? Have you ordered them for church and reception? And don't forget the bridesmaids' bouquets!
