

FIRST DOLLAR PUT IN FOR WEED RAKE ON POND

The first dollar toward construction of a home-made weed rake to clear fishing spots on the Weidman Millpond this summer was contributed Saturday at Fox Hardware.

Fishermen who like to be on the Weidman Pond summers and who are interested in bettering the fishing site here are invited to deposit a dollar or so with Ed toward the project.

It is figured that the rake can be mainly constructed from donated parts of old machinery hereabouts, but there will be a relatively small cash cost to it before it's done.

So--come on in, local sportsmen and women! The water's fine on the Weidman Pond--if we get weeds cleared away in summer so we can fish!

First donations are also coming in, Walter J. Smith, instigator of the weed-rake project, said this week.

John J. Schafer donated a dump rake, the crucial part of the weed-rake raft. A second rake has been spoken for, as a spare. A donation of welding rod has been promised.

Still needed are angle iron, nine 50-gallon drums for floats, and the donated use of a welder and use of a building for construction of the weed-clearing raft.

Volunteer labor will be needed, and Walt will be looking for men to sign up now for a spell of helping on the rake. Work on it will start this spring, so the rake will be ready for the summer accumulation of weeds on the mill pond.

FISHING CONTEST CLOSED FOR SEASON  
By Walter J. Smith

The 1959 winter fishing contest, sponsored by the Weidman Business Association, is now at a close.

Winners this year are Ervin Dutcher, spearing contest, with a 15 3/4 lb. pike taken out of Six Lakes.

Herb Morford, pike, regular season. His pike, 193 points, taken out of Coldwater Lake; Clarence Lorenz, special pike contest for Weidman Millpond, 87 points. All these happy winners are in the pike contest, and have received their prizes from the WBA.

Blue gill contest, Ray Smith, 28 1/4 points, Weidman Millpond.

Perch, Ralph Tvorik, 27 1/2 points, Weidman Millpond. Speck, no entry for season.

Bluegill, special Millpond prize, Ray Smith, 28 1/4 points. These winners may receive their prizes at Fox Hardware.

We thank each and every fisherman who has made our contest a success this year, and wish everyone bigger and better catches in the months to come.

Mrs. Birdie Abbott and Mrs. Dan Wernette and family spent Tuesday afternoon with Mrs. Lyle Knorr in Shepherd. They found Mrs. Knorr feeling much better since her three-weeks stay at the hospital. Jerry hopes to be feeling fine by the time the weather breaks so she can get out in the the beautiful flower gardens she always

### Nottawa, Sherman, Coldwater Have Strong Dem. Tickets

The biennial spring election is next Monday, April 6, when some fairly important state offices will be filled, and the township officers determined locally.

For the first time, Sherman Township has a full slate on the Democratic side. Other strong Democratic townships facing contests are Nottawa and Coldwater. Broomfield kept its traditional status of Republican majority, with no Democratic candidates on the ballot.

Sherman is the dark-horse township this spring, for the first time in over 50 years. The Democrats will give the traditional Republican vote a stiff fight.

#### SCHAFFERS HOLD OPEN HOUSE THIS SATURDAY

Mr. and Mrs. Leo Schafer, who took over Block's Grocery Store in Beal City Monday, announce they will hold open house this Saturday, April 4, inviting everyone to come in and visit with them and have a cup of coffee and donuts.

The store has been open all week despite some remodeling work the Schafers have had done, including a new checkout counter, and some painting, and so on.

Their many friends will be wishing them all success in their venture.

#### WARNING

Now is the time to remove those fish shanties. Ice conditions are going from bad to worse. At this time of year ice becomes honeycombed and dangerous. Watch close around and near spots where fish houses have sat--ice can be weak there. Some who move them off do not mark the spots, and it could get a person wet.

Be very careful. Fish for today, but also be able to fish tomorrow.--Courtesy of Walt's Bait Shop.

#### 87 ATTEND IOOF-REBEKAH ASSOCIATION

A crowd of 87 attended the monthly Oddfellow-Rebekah Association at the Weidman IOOF Temple Friday evening.

The business meeting was conducted by Homer Moses of Mt. Pleasant, in the absence of President Maude Langworthy and Vice-President Clara Doser. Secretary Lillian Johnston of Weidman was present.

The address of welcome was given by Russell Wilson of Weidman, and the response by Mrs. Nellie Childers of Shepherd. Presentation of the flag was made by the local lodge and Pledge to the Flag and the National Anthem were also led by the local lodge.

Don Thorpe conducted the entertainment which included two excellent poems read by Lillian Womsey; songs with guitar accompaniment by Arlen Frantz and Roger Smith, and a "light opera" enacted by surprised members present.

Mrs. Tressie Ohls read the closing prayer. A very bountiful lunch was served in the kitchen, on beautifully decorated tables.

Dancing with music by Oddfellows followed the supper. Jerry Dent played violin and Harold Branson a horn. It is hoped we hear much more of this music, as everyone enjoyed the evening.

The April meeting will be held at Gladwin.

#### ASSEMBLY OFFICERS VISIT REBEKAHS

Mrs. Hope Sheldon, Assembly Secretary, IOOF of Michigan, visited the Weidman Rebekah Lodge at its last meeting, with new editions of Rebekah books. Alba Howlett of Clare Lodge, a Past President of Rebekah Association, District 20, accompanied Mrs. Sheldon on her official visit. Weidman Rebekahs are always glad to receive visits from other lodges.

The meeting was well attended, and many plans were made under direction of Noble Grand Lucille Smith.

A Bake Sale for Saturday, April 4, at Gerrie's Garage was scheduled, with all members pledged to furnish baked goods.

A committee was appointed to meet with the Oddfellows for discussion on an upstairs entrance and new front for the hall. They plan to meet this evening, Thursday, April 2.

Two petitions for membership were received. Degree Captain Daisy Embrey called practice Thursday evening, April 2, at 7 o'clock. This may be the last practice, so all offices will be permanently filled at this time. Weidman Rebekahs are expecting to initiate three classes of candidates this spring. All members able to take part should be present.

Mrs. Sheldon had many compliments for the local lodge, on work of the Noble Grand and all the officers, and the many activities of the lodge.

A very lovely lunch was served by the hostess com-

This Saturday evening, April 4, is the Annual Firemen's Ball, a dance the Volunteer Firemen of the Nottawa-Sherman Fire Department put on each spring to raise money for equipment they need.

This year they hope to raise enough money for helmets for the firemen--they've been doing their dangerous work so far without this protection; and, if possible, a smoke ejector, Fire Chief Ed Fox said this week.

The smoke ejector is a large fan, to be set in a doorway and draw smoke out of a burning building and enable firemen to get in and fight the fire, or if someone is in the burning place, to find the victim quickly and save a life.

The Firemen's Ball will be in the Knights of Columbus Hall in Beal City, the first time Nottawa has had the dance in its town of Beal City. Heretofore the dance has been in the Weidman School gym. The K. of C. Hall has the largest and best dance floor in this part of the state, we believe. Harold Vogel's orchestra will provide music for round and square dancing.

Young dancers are cordially invited, as before at the Weidman School. The same restrictions against liquor and the same good-taste fun and enjoyment are in effect at the K. of C. Hall as have been at the Weidman School.

So--have a good time at the Firemen's Ball Saturday night, at Beal City K. of C. Hall.

Or, if you don't dance, buy tickets anyhow. This is the one time of year you can show appreciation for the very fine protection our volunteer firemen give throughout this area.

## Coldwater Township

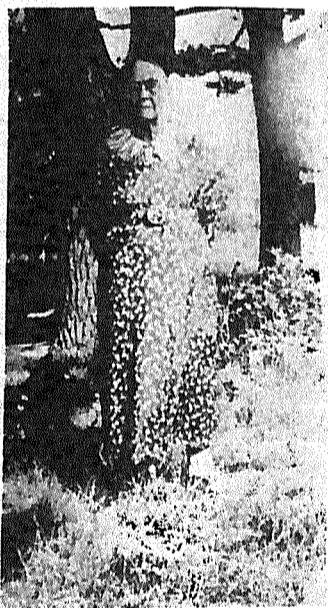

By Fern Ellis and Constance Roe

(Continued from last week)

Like many families today, the Martin Bogers still live on the old home-site, and while the house has been greatly enlarged and modernized, you can still see the heavy beams in the kitchen doorway, for instance, that were put there when the first log house on the place was built. In other words, the Bogers' cheerful and pretty kitchen of today is the original log-house part built long ago.

Martin remembers seeing the Indians on their camping site across the road from the Shilling place. They came in the spring, usually, or fall, from Big Rapids, a two-day trip on foot, on trails through the woods. They carried most of their provisions, children and belongings in packs on their backs. The Indian camping grounds went out when the railroad went in to Brinton.

Martin remembers old Okemos, the Ottawa chief who used to appear in the Brinton area regularly. He spent his winters mostly at lumber camps--"Coming always at meal time," we are told. He would eat a prodigious amount, let out his belt, and comment, "White man bust-um Injun." Okemos came in the spring, playing a fife and offering baskets for sale. He was a friend of most of the white settlers. Somebody took his picture, once, and he called it his "Lookum."
