ARE YOU REGISTERED TO VOTE IN BIG ELECTION?

This is an important election year, any way one looks at it--whether you're Democrat, Republican or whatever. Every responsible adult should make it to the polls, come Nov. 3, and indicate his choice in the national, state and local elections.

Your township clerk will enter your registration on the books, if you're not now registered but eligible.

Your township clerk usually has his or her "office" at home, and usually is home during the days and most of the time evenings, about this time of an election year.

The sensible and considerate thing, if you need to get registered, is to phone your township clerk, to make sure he or she is at home; and the township clerks are obliging people and will properly register an eligible citizen as a voter, day or evening.

SHE MAKES DELICIOUS DOUGHNUTS

Mrs. Tom Bywater had just made doughnuts one day last week when we stopped in at her place, and she gave us a generous sample. (Actually, it was more than a sample--it was a generous lot.)

Anyhow, we asked for her recipe, and here it is--the doughnuts are delicious, by the way.

One big cup sugar
level teaspoon cinnamon
1/2 teaspoon salt
3 level tablespoons melted shortening
2 eggs
1 cup sweet milk
3 level teaspoons baking powder
flour to roll out.

Try 'em. They're delicious--at least hers were.

BETTER THAN A LETTER

ADAMS DRIVE-IN, Weidman's brand-new eating place, is being operated by Helen Adams weekends only, through October, the weather permitting. The building is new, cement-block construction; and all its equipment inside is brand-new. Weidman is fortunate to have this newly-built eating place for tourists and resorters, as well as local trade. The drive-in opened Aug. 14, this summer, and has done good business in good weather, Mrs. Adams said this week. "We were surprised and pleased, though," she went on, "at the amount of local trade, for suppers of hamburgs, French-fries and malts, for instance." Main expectations for business volume, of course, are from resorters and tourists, in the warm seasons of the year. The drive-in is now open (weather permitting) from noon to 10 p. m., Fridays and Saturdays; and on Sundays from noon to 9 p. m. Mrs. Adams expects to reopen next May, for a full season's business.

WEIDMAN PTA HAS FIRST MEETING

The first meeting of the Weidman PTA for the current school year was held in the school cafeteria Monday evening. The new officers were in charge.

President Rosina Warner called the meeting to order and led the group in the Pledge to the Flag.

Then she introduced her fellow officers: Barbara Davis, vice-president; Esther Bridget, secretary; and Margaret Gingrich, treasurer.

Mrs. Warner announced appointments of various committees for the year, as follows:

Chairman of the Stamp Committee, Joyce Curtiss; chairman of the Fluoridation Program, Maxine Lofgren; chairman of the Membership Committee, Arlene Wilcox and Violet Little; Welcoming Committee, Barbara and Jake Vander Sys; chairman of publicity, Ruth Momany; Installation Officer, Joan Chambers; chairman Nominating Committee, Mrs. Sandelius.

Mrs. Warner announced that a paper has been provided for those to sign who were willing to serve as Room Mothers during the school year. Mrs. Davis reported on the PTA Summer Workshop at Higgins Lake which she and Mrs. Warner attended. They found it very worthwhile.

Minutes of the final meeting last spring were read by Sec. Esther Bridget, and Margaret Gingrich, treasurer, reported on expenditures since the last meeting and the balance on hand in the treasury.

There was considerable discussion on purchasing a trampoline for the school, as suggested by Coach Tom Gallant last spring. It was decided that Mr. Chambers bring this up before the School Board later on.

Another discussion was held in regard to furnishing transportation to those children needing glasses and getting them through the Weidman Lions Club project. Mrs. Vander Sys volunteered to furnish transportation when needed.

Couple Badly Hurt In Auto Crash

Mr. and Mrs. Jack Thompson were reported Wednesday in very serious condition at Butterworth Hospital in Grand Rapids following an auto crash last Saturday in that city.

Mrs. Thompson was reported in oxygen Wednesday, and her condition critical. Mr. Thompson, who suffered broken knee caps on both legs in the crash, was reported undergoing surgery Thursday.

The accident occurred last Saturday morning at Five Mile Road and Plainfield Avenue NE, Grand Rapids, when Mrs. Thompson apparently lost control of the car and went across the median, meeting another car head-on.

Both cars were reported as total losses. William Rice, driver of the other car, died in Blodgett Hospital Saturday afternoon.

Mrs. Thompson suffered a broken nose, broken ribs, and possible other injuries.

Their many friends have been anxiously awaiting word all week for a turn for the better for both.

Wednesday evening Mr. and Mrs. James Thompson, who have driven to Grand Rapids daily, reported both their parents as apparently improving during the day.

Mrs. Gingrich requested that a Michigan flag be obtained for her room. This motion was carried. Al Tarsa was appointed as Safety Council Representative from the school.

Supt. Chambers introduced the teaching staff for the current school year.

He announced that the 1964 Yearbooks are now on sale to students and the general public. He also announced the enrollment for each room and total enrollment.

Mr. Chambers discussed the Special Education program for Weidman, Beal City and Blanchard, which is now at a standstill because no qualified teacher has as yet been obtained. The program can still be initiated for this year if a teacher can be obtained by mid-December; otherwise, the program will be delayed for another school year.

Vice President Barbara Davis introduced the speaker for the evening, Miss Elsa Struble, of the Public Library in Mt. Pleasant.

Miss Struble complimented Weidman on having such a "live-wire" PTA, with so many people in the community interested in better education of the children.

She explained about the new set-

up in the county for libraries, and the new services being extended to schools and communities by the Public Library.

There is no charge for securing a library card.

She stressed that schools should set aside a definite sum of money to purchase books for the school's permanent library, as service from the Public Library is meant only to supplement and enrich the book collection, but cannot take its place.

She complimented the school on the display of newly acquired books, and urged that all schools have a central library, where all room collections could be pooled for all school use. This avoids duplication and waste of funds which results from each room keeping its own collection.

Mrs. Leak won the door prize. Mrs. Warner announced the Seventh Grade will be hosts at the October meeting. The meeting was closed with the reading of the PTA prayer by Virginia Herman.

Refreshments of cookies and coffee were served by the PTA officers. ---0---
