MEMORIAL DAY SERVICES IN WEIDMAN

Memorial Day services will be held at the Weidman Cemetery (Fairview) next Sunday afternoon at 1 o'clock, for the first time in several years, it was announced this week.

John Berryhill, Scoutmaster for the Weidman Boy Scout Troop, will be in charge of the short ceremonies, with his Scouts in uniform, the placing of military wreaths, sounding Taps, and a short prayer.

The public is urged to help resume this neglected gesture of respect to our dead this year, and be at the cemetery for the 1 o'clock observance.

A campaign has been waged by Mr. and Mrs. Harold Skinner, of the Mt. Pleasant Veterans of Foreign Wars Post, to have local people display the American flag at homes and business places on Memorial Day.

They have been quite success-

ful in awakening local people to the need for return to traditional showing of pride in our country by showing the flag on that day.

Let's see American flags on Weidman streets, business and residential, for Memorial Day!

THINK YOU'D PREFER THE GOOD OLD DAYS?

Consider the following office rules, posted in 1872 by Zachary U. Geiger, sole proprietor of the Mount Cory Carriage and Wagon Works:

1. Office employees will daily sweep the floors, and dust the furniture.
2. Each clerk will bring in a bucket of water and a scuttle of coal for the day's business.
3. Clerks will each day fill lamps, clean chimneys, trim the wicks.
4. Make your pens carefully. You may whittle nibs to your individual taste.
5. This office will open at 7 a. m. and close at 8 p. m. daily, except on the Sabbath, on which day it will remain closed.
6. Men employees will be given an evening off each week for courting purposes, or two evenings a week if they go regularly to church.
7. Every employee should lay aside from each pay a goodly sum of his earnings for his benefits during his declining years, so that he will not become a burden upon the charity of others.
8. Any employee who smokes Spanish cigars, uses liquor in any form, gets shaved at a barber shop or frequents pool or public halls, will give me good reason to suspect his worth, intentions, integrity, and honesty.

FOREST HILL CHURCH OF GOD

"I'VE GOT A SECRET"

As Steve Allen would say, "I've got a secret."

A clue is something the pastor, and his wife, Rev. and Mrs. Henry Hulbert, of the Forest Hill Church of God, did recently.

If you were let in on it, every church would be after them to supply their pastorate.

Guess we'll tell you, anyhow. Since remodeling our church, our cement step needed repairs; in fact, it needed rebuilding.

When Rev. Hulbert attempted

on Lake Windoga, then followed the very beautiful stream. We stood on some rocks in the middle of the stream, so our teacher could take pictures of us.

A little farther on, we came on a little pool with some very large tadpoles.

Once again on our way, we came upon a sign pointing to a well-beaten path into the woods. With the help of arrows, it led us to an "Indian Mound". We crossed on a little bridge made with poles.

The woods were beautiful, with nesting birds and squirrels scampering to and fro. There was an abundance of wild flowers, arrayed in their many beautiful colors.

We came out of the woods and rested on some huge rocks at the entrance to the path.

On our way once more, we came across a sign telling us, This is where Lake Manitonka will be in the future. Then on once more, past some cabins under construction, and out towards the nicely marked airport.

By this time we were getting hungry, so we sent a couple of girls back for our car, and we all piled in and went back to the church annex, where we had a wiener and marshmallow toast under the trees.

We departed for home, tired, ruffled and happy. We are fortunate to have such a beautiful place so close to home to enjoy.
