OUR SENATORS WILL VOTE FOR ONE WORLD

Well, we finally received a reply from our other Senator, Philip Hart, on our letters we sent urging both him and Sen. McNamara to vote against several treaties and resolutions expected to be pushed through the Senate when small numbers are present to vote.

The treaties include, among others, one to surrender our right to defend the Panama Canal; one to allow the United Nations to enter into prosecution of citizens of this country for alleged infliction of "physical or mental injury" to any "minority group"; and among the resolutions, repeal of the Connally resolution. This repeal would allow the United Nations to take jurisdiction over such events in this country as race riots. Another resolution provides for total disarming of the United States, in the face of war and threats of further wars all over the world.

These are only some of the drastic and, we think, dangerous items on the agenda for slipping passage through when not many or not any conservative, or as we call them, sane, Congressmen are present. They are not scheduled for full-dress debate and attempted passage of the Senate when large numbers of Senators are present.

So, as we said recently, we wrote both our Senators, and last week we received a reply from Senator Hart, which, like that of Sen. McNamara, sort of gave us cold chills:

Miss Constance Skinner
Weidman, Michigan
Dear Miss Skinner:

Thank you for taking the trouble to write me as you did. Although in this case your views do not completely coincide with mine, I certainly appreciate knowing where you stand, and I will of course keep your comments in mind.

Knowing the way people at home feel on an issue is awfully important, and I hope you will continue to send me your views.

With best wishes, Sincerely,
Philip A. Hart
United States Senate.

WBA DISCUSSES WATER RESOURCES, VILLAGE INCORPORATION

At its regular monthly meeting Tuesday evening, the Weidman Business Association heard Clyde Beutler, Sherman Township Supervisor, Chairman of the Isabella County Board of Supervisors and member of the steering committee of the Tittabawassee River Basin Water Management Authority, which is expected to be formally created soon.

Subject of Supervisor Beutler's discussion was the proposed dam on the Chippewa River southwest of Weidman by the Water Resources Authority, to create storage of excess water to be released during dry periods, extending from here to the emptying of the Tittabawassee River into Saginaw River and the Bay, as against a private-enterprise proposal by Leo Gatehouse to obtain the dam site for a lake-development project on private ownership.

Gatehouse's petition for permission to build his dam was scheduled to go before the Board of Supervisors next Tuesday, Feb. 8.

The WBA also discussed plans for incorporation of the Village of Weidman.

The last regular FHA meeting was held Jan. 14. Our exchange student, Celia Glavo, was welcomed as a new FHA member.

A Valentine Dance is being planned after the basketball game Feb. 18. Be prepared to bring your "Valentine".

Some time during the first of February, FHA members will be collecting used clothing for needy children in poor areas of our country.

On Jan. 23, 12 adventurous FHA girls and Mrs. Tarsa met at Janet Rescoe's farm home for a tobogganing party. After tramping for what seemed a mile through knee-deep snow, the girls finally reached their destination, the top of the hill.

After about an hour of sliding down, climbing back up, and falling off the sleds into snowbanks, the girls tramped over to where Mr. Rescoe had built a fire. Here they had great fun thawing out and roasting hot dogs and marshmallows.

At about 3.30 the girls were back at the house, where Mrs. Rescoe had prepared hot chocolate and cake. All attending enjoyed a great time.
