WEIDMAN FIREMEN NEWS

Walter J. Smith, Secretary
The regular meeting of the Weidman Fire Department was held Tuesday evening, Feb. 14. There were 11 Firemen present.
The work detail for the meeting was installing a new push-button for the siren. It was installed on the outside of the Fire Hall.
Other Firemen removed a pressure hose reel from the big truck, as it had been working hard. They cleaned and repaired it, and this is a dirty job, with oil, gas and grease. Yes, you guessed it, there are always one or two Firemen who come to the meetings with good clothes on. We had one, and he got squirted with messy black grease on his good pants. But, as our Firemen are used to this, he took it in good stride, and wiped off what he could get of it, and let it go.
Fire Chief Ed Fox and Walt Smith went over the big map, putting up names on places that are vacant, with the help of different Firemen who know the areas.
The trucks were all checked over for oil gas, etc., for when we get a fire call, we want everything in working order.
During the checkout, a spotlight was found to be out of order. This was repaired.
A bad spot was located in one of the pressure hoses, and a splice had to be made. In making a splice of this kind, it takes manpower and strength. To make the job faster and easier, the Firemen bought a vise, with money from the slush fund.
We have Firemen from all walks of life, with different talents. These talents come in very handy, and the Firemen do most all of the repairs on the trucks.
Take into consideration this point: If, every time some little thing went wrong, we took the truck to a garage for repairs, and maybe had it held up for a day or so--we couldn't give the Weidman area very good fire protection if it was needed during this time.
From time to time little things come up to be repaired, like a bulb, fuse, a hose connection, etc; like a person who owns a car, these little repairs come up, and here is where the Firemen's slush fund comes in, the money that is raised by the Firemen through the help of some business people, like putting on an auction sale of White Elephant articles and some new articles. The money taken in on such a sale as this all goes into the Firemen's slush fund.
This March 11, such a sale will be held at Weaver's Village Inn. All donations of articles, either old or new, will be great-

A SWEET LITTLE GIRL AND THE DOG SHE LOST: Michelle Bauw of Grand Rapids had her own small dog, twice, that is, and lost both puppies to Grand Rapids traffic. Michelle wrote the Barney Tranbargers when they lost their Scottie, Mackie, offering her sympathy. Last week the Tranbargers received another letter from Michelle, and the above photo, which was in color. Michelle says, in her letter:

Dear Friends:

I got your letter. I had my puppy in our fenced in yard but he got under the gate and got in the street.

Daddy took Blackie and Boots to the Vet for there shots and got there lisense tags. Blackie got hit first then Boots. I still miss them. I saw about your dog in my Grandma's Widman paper.

She says Fred Kent is my grate-grate-Grandpa. So I believe her. Here is a picture of my dog Blackie and me.

My Mama's name is Jean and Daddy is Bob.

Michelle Bauw

(Editor's Note: We are printing Michelle's letter exactly as she wrote it, which we think is a good job for a seven-year-old. Michelle's sympathy for the Tranbargers started the correspondence.

(Michelle is a granddaughter of Mrs. Mabel Chaffee, who is a daughter of Fred Kent.)

THE MESSENGER picks up new subscriptions each week. Thanks.

ly appreciated by the Firemen. This is a very worthy community cause. The articles may be left at Weaver's Village Inn or at the Fire Hall.

If anyone would like to have an article picked up, contact either Walt Smith, Ray Smith or Dan Wernette.

The next Firemen's meeting will be March 6, at 7.30 p. m., at the Fire Hall.

WEIDMAN LIONS CLUB

Special guest speaker at the regular meeting of the Weidman Lions Club will be Social Security Director Armond Ross. The Lions will have dinner in the basement of the Methodist Church, after which Mr. Ross will answer questions.

The Lions are inviting the public to come in at 7 o'clock and meet Mr. Ross and get information desired by any local residents.

Primary interests in Mr. Ross' role here at this time will be answers to income tax questions, and also Medicare problems.

There are some changes in the income tax laws, it is pointed out, and Mr. Ross can explain them.

Retirees will be welcomed, but the main interest at next week's meeting will be on those about to retire, or those still working indefinitely. Lions members said probably a meeting would be opened to questions-and-answers for retirees at a later date.

The Lions are sponsoring a fish fry this Friday evening, Feb. 24, at the school cafeteria. Proceeds from this effort usually go for playground equipment or improvements of the local park for the benefit of area children.

BROOMFIELD GRANGE

Mrs. Grace Crowley, Reporter Our lecturer, Miss Bonita Jackson, had us guessing on our program last Friday evening at Grange. We who haven't been students in school for a year or so can forget Presidents' names, let alone their nicknames. A good lecture hour makes our interesting Grange meeting.

We have plenty of laughter at our card parties, sometimes not a very large crowd, but a good time. First and third Saturdays. You are welcome. 8.30 p. m.

Thank you all for enjoying our smorgasbord supper. We all need to eat, even when it is cold. We plan on more of those good fish, along with our chicken, next month. We will welcome you.

Our Grange members were all saddened last week over the car accident near Winn, as Mrs. Alice Rouse used to be one of our Grange members. Our sympathy to all Brothers and Sisters, along with the husband and children.

Gem and Mineral Show

FRANK THORPE STILL CARVING GEMS--We received a copy of the "Rocketeer," publication of the Naval Ordnance Test Station, at China Lake, Calif., with a section devoted to the Indian Wells Gem and Mineral Society annual show. Frank's picture was featured on a two-page spread. Frank is having a ball out there in Sunny California, regarding it as his permanent home, now, and he is an expert collector and cutter of semi-precious stones.

Frank's gem-cutting club was first called "The Rockhounds," but in 1962 changed its name to the Indian Wells Gem and Mineral Society, due to a Navy Station directive. The club is growing in membership all the time, according to the "Rocketeer" news story, and the members enjoy "an inexhaustible supply of rocks and minerals" in that area (China Lake), and they go out on field trips to find their gems.

NFO Kills Cows In Protest

Members of the Isabella County National Farmers Organization (NFO) shipped 50 bred cows to a slaughter house in Flint Tuesday to protest low farm prices.

A group of NFO members met at the Ronald Ervin farm and then went on to Flint where they

said they would drive past the McDonald Dairy with protest signs, and then on to the Vogt Packing Company where the cows were to be slaughtered.

Bobbi Oplinger, meat co-ordinator for the Isabella County NFO said that later on a milk-holding program will be carried out in an effort to get a higher price.

Protests were staged in 25 states and were organized, Mr. Ervin said, three to four weeks ago.

LETTER FROM JEWEL WAGNER

This reporter heard from her dear friend, Jewel Wagner, of Burkesville, Ky., recently. She writes they have had lovely weather, up in the 70's, then a cool spell, but it sure beats all the snow the North has had, and of course is still getting.

Ralph is drilling oil wells 50 miles from home. He lives in a house trailer and goes home weekends.

Beth is a 10th-grader and very active in school. Jewel has forgotten how to play Pepper, and surely does miss all the parties and clubs and her friends, especially Kit Johnson, who was always active and a good work-

er. Jewel says all the women around her work, so there is very little visiting done. She misses her friends from Weidman, even after all these years.
