Lake Isabella

Ground Breaking

Ground-breaking ceremonies at Lake Isabella, the multi-million-dollar project southwest of this village, drew 42 automobiles with an estimated 125 people in attendance Monday afternoon.

The lake, when completed, will be the biggest body of water anywhere around this section of the state, with a huge dam holding back 800 acres of water.

A golf course, club house, airstrip and marina are part of the overall plans for the project.

Richard Tilmann, president of Isabella Development Corporation, was host Monday afternoon along with Leo Gatehouse. The ceremonies were taped and filmed for radio and television stations.

Filling of Lake Isabella is scheduled for June, 1968. A great deal of work already has been accomplished on the huge project.

Willard Searles, developer of Lake Weidman (the old Mill Pond) was back working last week with his huge earth-movers. He told a Messenger interviewer he expects to have salable lots on that project this summer.

Boards were put back in the dam there, and the Mill Pond quickly filled. Immediately, fishermen were there, trying for a few of those great fish that made the Weidman Pond famous in the old days.

CALIFORNIA ROCK HOUND COMES HOME TO WEIDMAN

Frank Thorp came home Thursday morning to spend a couple of months or so, from his other home at China Lake, Calif. He called at the Barney Tranbarger home, and Ye Ed was fortunate to be there and have a chance to visit with him. Frank showed us exquisite samples of onyx which he had mined and finished off, one into a six-inch perfect ball, the other a four-inch-diameter ball. These are of flawless onyx and are worth quite a lot. He showed us an onyx mounted desk set with perpetual calendar, for which he said he gets \$20.00, selling his beautiful sets and also jewelry, to army officers at a nearby base. Frank was wearing an impressive ring of gold with a large Alaska black diamond. Frank said that Russell Harris, his grandson and son of Frank's oldest daughter, is in Viet Nam. We're glad to see you back again, Frank!

WEIDMAN HEP T. O. P. S. CLUB

We had eight gains and 40-3/4 pounds lost among our girls. Our Queen was Alice Brown. We had one Princess for the week.

The door prize was won by Wanda Graham. We had a very lively discussion on our problems. We have lost 689 3/4 pounds since the start of our club in January, 1967.

The eight girls who went to Jackson last week reported a good time.

The T. O. P. S. Queen from Michigan lost 134 3/4 pounds during the year 1966. The girls are looking forward to going again next year, at Battle Creek. They hope to bring some of the honors back to Weidman. There were about 2,300 T. O. P. S. members at the convention.

JUNIOR SENIOR PARTY WELL ATTENDED

"No Tears in Heaven" was the theme for the second annual Junior and Senior formal party held Saturday evening at the Gilmore Church of Christ.

Twenty-two young people enjoyed the banquet and program. The fellowship room was decorated very prettily with fluffy cloud, stars, and a golden city. Tables had large golden crowns and candles as centerpieces, with smaller crowns for favors.

After the banquet all retired to the auditorium for a Hootenanny and a movie, "Without Onions". Later a mystery guest, Larry Beard, minister of the Barryton church, led the group in devotions.

COUSINS NEAR EACH OTHER IN VIET NAM STATIONS

Two cousins from this area are within a quarter of a mile from each other, in different outfits, in Viet Nam.

They are Pvt. Richard Zeien, son of Mr. and Mrs. Edward Zeien, and Pvt. Roy Hauck, son of Mr. and Mrs. Frederick Hauck. Richard is with a transport company and Roy is with the signal corps. They are stationed at Cameron Bay, near Saigon.

Four boys from the rural area of Weidman and Mt. Pleasant went through basic training together and were sent to Viet Nam on the same plane together, a most unusual occurrence.

Pvt. Jack Cotter, son of Mr. and Mrs. Wilmer Cotter, is one of the four. The others, besides Richard and Jack, are Pvts. Ron Loomis and Noel Flaughter, son of Glenn and Audrey Flaughter. Noel graduated from the Weidman High School before going to St. Louis to live.

Actually, there was a group of six boys who went through basic training together and on to Viet Nam, but the other two were not from this area.

The four from here were photographed together for the "local paper" at Cameron Bay, Richard wrote his folks. We hope to get a copy of the photo some time.

Here are the addresses of two of the boys:

Pvt. Richard J. Zeien, US-54962763, 670th Trans. Co., APO San Francisco, Calif. 96312.

Pvt. Roy E. Hauck, US 5495-6858, 41st Sig. Corps, Sig. Bn., APO San Francisco 96328.

AN APPRECIATION

It is with a feeling of deep humility that I attempt to express my appreciation to my many friends and business associates for the honor and good will which has been accorded me on the occasion of my having attained the 50-year mark of service to our community in the business of banking.

Words cannot express the emotions that I feel, for I am deeply moved. I have always considered it my duty and privilege to use any talents or abilities with which God has blessed me, for the good of mankind, and under His guidance.

This I have endeavored to do in services rendered to my many friends, and to the community in which nearly all of my life has been spent, and to its churches and educational institutions.

To receive the congratulations and expressions of appreciation from those with whom I have worked and shared my services is truly gratifying. I, too, have been greatly blessed many times by the services that others have rendered to me in my times of need.

The years pass all too swiftly, and our days of service are soon ended, and only memories remain. It is good to know that in a way our lives have brought blessings to others.

I am grateful to Comie and George for their part in letting the Weidman Messenger share my 50th anniversary of services. I thank the Board of Directors of our bank for their expression of appreciation and faith, for it was under their help and good judgment that our bank has achieved its present position of strength and success.

Thanks also to the business people of our Village and community who have stood by us faithfully through our growing years, for we all serve together.

Thanks also to the friends who contributed the beautiful plants, and the many who have sent letters and cards of congratulations, and those who have greeted me personally with words of kindness.

Thanks to everyone for helping to make my 50th anniversary of service one that will always be remembered with gratitude.
