THE SCHOOL ELECTION IS FOR MILLAGE PROPOSAL AND BOND ISSUE FOR NEW BUILDING

News releases from the interim board of the new consolidated school district comprising Barryton, Remus-Mecosta, Fouts and Weidman districts mention election of a permanent school board but make no announcement as to the big purposes of the election, which is to determine an operational-cost millage tax on local properties, and a bond issue proposal to build the multi-million-dollar new high school somewhere within the new district.

On another page of this week's Messenger you'll see a Registration Notice for a Special School Election, which tells you only the regulations concerning voters' qualifications.

We urge you to check your status as a registered voter, with your township clerk, if you wish to vote on these vital questions. Many who might not bother to check registration status for just a school board election which might seem a remote detail in a huge area, might want to vote one way or the other on taxation proposals.

No matter which way you may intend to vote on millage and the bond issue, do check and make sure you're registered for this very important school election Aug. 28.

THE MESSENGER SUBSCRIPTION LIST KEEPS GROWING

We are surprised and grateful, nearly every week, to open letters in the mail and find new subscribers, especially in the Remus Route 1 area, the Barryton Route 1 area, and the Lake Routes 1 and 2 areas. We have picked up a sizeable number of volunteer, unsolicited \$5 subscriptions during the last few months. And they keep coming.

Our appreciation, folks. We lost one subscriber in the village of Weidman last week, but we pick up new ones all the time.

Many folks still like a real home-town weekly newspaper, in the old sense of the word. We print a great deal of personal items--and it seems a lot of folks are homesick for this old-fashioned way of recording the life and times of a community.

We'll keep 'er coming another year or so at least, folks. And when we're too old to get the paper out, we'll let you know ahead of time so no one will lose money on us.

Meantime, we peg along, and

BOB TVORIK EARNS FIRST LIEUTENANT RANK--At Vung Tau, in Viet Nam, Robert L. Tvorik (right in the Army photo above) was promoted to First Lieutenant this spring in appropriate ceremonies. Bob is 24, one of the sons of Mrs. Veronica Tvorik and the late Frank Tvorik. Presenting the insignia and his congratulations is Col. C. R. Church, Commander of the 53rd General Supply Group.

Lt. Tvorik, who is executive officer of the 528th Quartermaster Company, entered active duty in April, 1967. He received his commission through the Reserve Officers' Training Corps at Central Michigan University, where he received his B. S. degree in 1966. He is a member of Sigma Tau Gamma fraternity. Our congratulations, Bob!

CHIPPEWA HILLS SCHOOL DISTRICT MADE OFFICIAL

At a meeting of the interim school board of the newly consolidated districts of Barryton, Remus-Mecosta, Fouts and Weidman, held at the Barryton school July 3, board members approved a resolution naming the new district Chippewa Hills School District.

The interim board also set the regular monthly meeting for the second Tuesday of each month at 8 p. m. in the Barryton School.

According to a news dispatch received by the Messenger, the meeting was turned over to Earl Licker, Superintendent of the Mecosta-Osceola Intermediate School District, who reviewed the reorganization law under which the big consolidation took place.

Jake Vander Sys was named as secretary of the interim board for the Chippewa Hills District, with John Berryhill one of the trustees. Others named were from other districts.

Six new high school teachers were hired, along with one new elementary teacher and one Jun-

ior High teacher. The resignation of Mrs. Violet Little as an elementary teacher was accepted, bringing the total of new teachers hired to seven.

Contracts were approved for Ralph Turnbull, Superintendent of the former Weidman School, and Charles Pelham, to be promoted to jobs as Assistants to the Superintendent, Paul Jorgensen. Chester Clark was approved as Principal for the Weidman building.

The interim board also set a date for a special school election Monday, Aug. 28. According to news dispatches from the interim board, this election is for the purpose of election of permanent board members. Ralph Turnbull, at the Weidman building, said Monday the election will also include ballots for a millage proposal for operational expenses, and a bond issue for building a multi-million-dollar new high school within the consolidated district.

Nominating petitions are available only at the Barryton School, for this area. They may be obtained by any qualified elector in the new school district. They must be picked up in person, and must be filed at Barryton before 4 p. m. July 29.

In the Editor's Mail

Dear Connie:

Do hope you are enjoying some nice weather. Was so sorry to read of the death of Bertha Gross. How time passes.

Hoped I would be able to be back there this summer some time, but it looks like I will have to forego that pleasure this year. Have been rather busy at my old job.

Seems the company I work for is about to enlarge its san. from a 70-bed to a 110 bed. This will begin by the first of the year.

Back to the weather. Our brief summer has changed its mind. Now it's winter, fall or spring, whatever they want to call it. Anyway, it's cold. Have had to have the furnace on every evening when I get home from work at four.

It's that time again to renew my subscription to the paper.

Yours, Dollie Bower,

BROOMFIELD GRANGE NEWS

Grace Crowley, Reporter

Yes, we have had two very nice Grange meetings since I wrote last, as well as two card parties. A committee was appointed to look after new chairs which we purchased, also new tables.

We were pleased to see so many at the last smorgasbord. Plans are under way for the next one, the second Saturday of August.

We hope to be entertaining four of our State Grange officers at one of our August meetings.

The Community Progress chairman has received the papers to make out our report, and she is really proud to report some new members.

Mr. and Mrs. Gil Overla, Mrs. Howard Blackmer and Mrs. Grace Crowley were in St. Louis Saturday on business.

Mr. and Mrs. Overla and Mrs. Eunice Blackmer were in Hudsonville to attend the Grange Conference. Mrs. Zada Ehl cared for the store in the absence of her mother.

Am happy to report our Worthy Master, Howard Blackmer, did not miss a Grange meeting because of his recent illness.

Dear Connie:

Please do not mention my name, but I just want you to know I get \$100 worth of blessings from your life's work, not just \$7.50. Please live long and continue on with our little home town paper.

Each one is ordained to do a special work. I could not do yours. I have many degrees, but your line of work is not included.

I was not born intelligent, but God had given me a niche, and I am happy. He gave me another chance, and with a good husband to help me, I have won the love and respect of this community. Everyone, old and young, calls us "Grandpa" and "Grandma."

I admire you and I just want you to know I think you are a great little gal, Honey.

A reader.

Dear Connie and George:

It's time to renew my subscription to your paper. I sure enjoy getting it, as I can read about people I know.

We are getting a nice rain, it will be good for my garden. Had wonderful weather all last week. Got our house painted. Sure glad that's done, now it's raining.

Sincerely, Mrs. Ann Snyder
