OH, JOY, VACATION!

So this week's paper is the last one in June (we had five issues this month), and it is combined with the first week in July, so we get ready for our annual summer vacation, when we skip one issue.

Ye Ed and George will have about eight days off. Our faithful news writers will have 10 days or more. We all welcome a breather in the weekly job of getting out the paper.

News writers will have all next week without writing chores. The weekend of the 8th of July, however, is the start of getting back on the job, as news writers will mail their next news letters Monday, July 10, for the July 13 issue. Ye Ed will start work on that issue probably Friday, July 7, as it's a sort of chore to pick up after being off, even a week.

So--have fun, news writers. We plan to. George and Connie have no trips planned, just fishing and not doing much of anything, here at home.

See yuh next in the July 13 issue!

THEY WAITED TWO YEARS FOR THEIR LAKE LOT--Mr. and Mrs. Donald E. Felisky and daughters of Flint finally got their lot on Roe's Acres on Lake of the Hills last Thursday afternoon, when George Skinner handed them their land contract, as the Messenger photo shows (above). The Feliskys have plans for their dream-house, and a dream it is. In July we hope to show you the lovely and artistic home they will build on Lot 67, Plat No. 1, Lake of the Hills. They hope to have the house "roughed in" by late fall, and Mr. Felisky is looking forward to doing a lot of interior work during the winter.

THE MODERNISTIC HOME- Features a fieldstone fireplace with barbecue pit on the deck outside; all-glass frontage on the lake side of the house; and it's an imaginative and beautiful three-bedroom home with A-frame interior design with balcony. ABOVE, LEFT TO RIGHT: Daughter Martha Felisky, wife Sara, niece, Suzanne Mahoney, daughter Donna Felisky, Donald Felisky, and George Skinner. The Feliskys chose their location two years ago, and have waited patiently to take possession of their lakefront lot. We welcome this charming young family to Weidman and Lake of the Hills. Theirs was the first lot sold on the lake, though final papers were made out last week. Mr. Felisky sells insurance. The family attends the Baptist Church.

Helen Alwood loaned the slides to Ye Ed, who was thrilled to see the Viet Nam countryside in color, and especially thrilled to see Rusty with his buddies and some with Viet Nam children.
