### 'TWARN'T OUR FAULT, BUT WE APOLOGIZE

Last week all of the news letters mailed on the Lake routes came to the Messenger a day late, and therefore missed publication.

The letters were postmarked Lake, May 6 (Monday), and we received them Wednesday.

A check with the Weidman postoffice revealed the fact that they were received in Weidman Wednesday morning.

Our apologies to those of our faithful news writers on the Lake routes. 'Twarn't our fault, but we are nevertheless sorry.

### SEARLES MACHINES CREATING NEW SHORELINES ON NEW LAKE AT WEIDMAN

Willard Searles' big machines are creating new shoreline on Lake Weidman, the famous old Weidman Mill Pond.

Cranes, earth movers and trucks are filling the swamp land at the roadside on North Woodruff Road, on the Momany place, to create new high-and-dry lots.

Much of the mess left last year around the Don Alwood place has been eliminated. There a lagoon or canal was scooped out, to create a channel leading from roadside to the lake proper, and it will be a beautiful spot.

Extensive work also has been going on on the east side of Lake Weidman, by Searles' machines.

Landowners and townspeople are hoping he stays with it this time and completes the job. The lake has been hanging fire several years.
