WE GIVE OUR COLUMN OVER TO THE RESOLUTION ADOPTED BY SHERMAN BOARD

Here's the official language of a highly controversial resolution adopted by the Sherman Township recently. We believe taxpayers in Sherman Township should know what the Board signs for the entire township.

Here 'tis:

General Resolution Requesting Assistance of Department of Public Works of Isabella County Authorized by Act 185, Public Acts of 1957, as last Amended by Act 63, Public Acts of 1967.

RESOLUTION

WHEREAS, it is necessary to protect and preserve the public health and welfare, that a Water Supply System be immediately acquired and constructed to service the following described area in the County of Isabella:

Recorded Plat of Lake Isabella Forest No. 2, Sherman Township, Isabella County, Michigan; and

WHEREAS, a preliminary study and report of such needed water supply system has been made by Hunter, Whittier & Assoc., Inc., consulting engineers of Midland, Michigan, which indicates such needed water supply system comprises facilities generally described as follows:

Water well and storage tank, 13,500 L.F. of water main and other necessary appurtenances having a tentative estimated cost of one hundred seventy-five thousand (\$175,000.00) dollars; and

WHEREAS, pursuant to the authorization provided in Act 185, Public Acts of Michigan, 1957, as amended, and resolutions duly adopted by its County Board of Supervisors, the County of Isabella has established a Department of Public Works; and

WHEREAS, the authority provided in said Act 185, Public Acts of Michigan, 1957, as amended, in the opinion of the Sherman Township Board provides the most feasible and logical means of acquiring, constructing and financing the project generally referred to above,

FORMER WEIDMAN POSTMASTER LAID TO REST--Leo Neubecker died last Thursday morning at the Medical Care Facility at Mt. Pleasant after an illness of about two months. He was Weidman's Postmaster from February of 1933 to Dec. 31, 1962, after which he retired and he and his wife, Elizabeth, spent winters in Florida and summers on their farm home south of Beal City. He was an active member of the Weidman Business Association, serving as treasurer for many years, and he was a faithful worker for the town's well-being. Besides his family, he leaves many friends who will mourn the loss of an able public servant and community worker.

Leo Neubecker was born Feb. 15, 1900, in Nottawa Township, the youngest son of Mr. and Mrs. John Neubecker.

He attended grade school at Beal City, then high school at Ferris Institute, as it was then called, then he attended Central Michigan Normal School, where he earned an Associate Degree in Education. He taught school at Kalkaska two years, after which he worked for an insurance company in Detroit. He came back to Weidman and took up the local Postmastership. On April 18, 1936, he was mar-

ried to Elizabeth Schmidt, and the couple raised three sons: Edward, now an attorney in Milwaukee; Charles, a chemical engineer in New York City; and James, an accountant in Lansing.

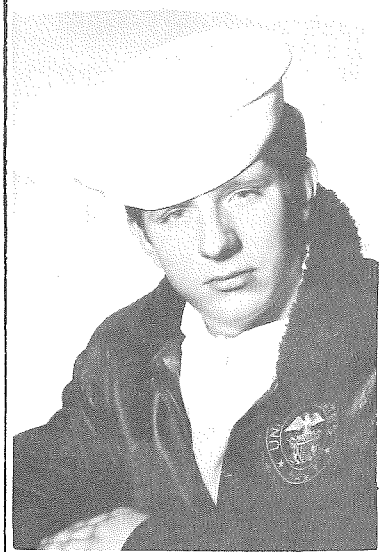

His wife, sons and four grandchildren survive him; also two brothers, Bernard Neubecker and Father Edward Neubecker, priest at Beal City for many years and now retired and living at Leland.

Funeral services were held Saturday morning at 11 o'clock,

CASEY C. STRAUS

Casey C. Straus, son of Mr. and Mrs. Stephen Straus, died Friday night, Oct. 22, at CMC Hospital, of injuries suffered in a car accident Oct. 16, in which Edward Zuker, Jr., lost his life.

Casey Straus and Edward Zuker both were 20 years old.

The accident occurred on the US-27 freeway near Shepherd.

Casey was home on leave from Oct. 6, and was to have returned to his Naval base in Florida Oct. 18. He was stationed aboard the USS McCaffery, a destroyer, out of Mayport, Fla.

He was scheduled for promotion to Third Class Petty Officer on his return to base.

Casey attended the parochial school in Beal City, then graduated from the Beal City High School.

His brother, Harry Straus, had put in a year at college waiting for Casey to graduate from high school, and then the two brothers and Bob Riley, son of Mrs. Louise Riley, enlisted in the Navy on the "buddy plan," where close relatives or friends are kept together during training and thereafter if possible.

Casey was separated from the other two to become a radio operator aboard ship, and he went half way around the world

COLOR SHOW ENDS WITH FRIDAY NIGHT RAIN

Weidman's color show ended abruptly with last Friday night's rains.

It was the most beautiful and outstanding show the Weidman area's foliage has put on in years.

We hope everyone did as we did during the show: Admire it, love it, drink it in. For we don't always have such gorgeous colors right in and around Weidman as we've had this fall.

The lowly sumac did its stuff in style this year; adding spots of brilliant reds and orange to the larger maple and oak trees in their proud and lovely colors.

For once, we had a good October, and an added autumn show of color right in the Weidman area.

CORRECTION

We wish to make a correction in the listing of students shown in the photo of the Drew School loaned the Messenger by Minnie Strauch of Mt. Pleasant and appearing in the Messenger a couple of weeks ago.

Aletha Merrihew is the child next to Dorothea Beutler, and not Esther Beutler, as we stated in the listing.

Sorry. But those recognizing the children will have known before this. We merely set the record straight.
