FOR AN INTERVIEW WITH
THE GEM PEOPLE.....

YOU WAIT, AND WAIT, AND WAIT, AND WAIT, AND WAIT..

Connie Skinner was among the very many who thought brightly that the rain and storms of Thursday would be a good day to go over to Mt. Pleasant and attempt to straighten out property valuations announced by the GEM Survey Company.

We were wrong. Everybody else thought there wouldn't be many people braving that weather to get their land valuations straightened out.

We entered the very dingy waiting room in the basement of the jail annex and wiped our feet on the tattered mat or rug at the door (it's good enough for lowly taxpayers), and were met by a receptionist who looked about 17 years of age and who wore the tiniest mini we had seen in a long time, even among University students.

There were two of these young micro-mini-skirted receptionists, and we will say they both had good legs (or torsos?) and both knew how to wear the micro-mini. (Offered as a treat to the lines of waiting oafs objecting to the GEM Company's valuation of their lands? Or to show the utter, utter sophistication of the GEM Survey Company in comparison to us yokels? We'll never know.)

So we took our place among the solid ranks of lowly taxpayers on metal folding chairs along the walls of the waiting room.

There was no rest room for us. There was no drinking fountain

LAVINA HILL OF MT. PLEASANT (center, above) was the winner of the Snow Prince snowmobile given away by the Weidman Business Association last week. With Mrs. Hill are Bud Fredrickson (left), and Mick Schmalbach, both officers of the WBA. Messenger photo

Mrs. Hill lives at 821 North Kinney in Mt. Pleasant, is 57 years old and plans to use the snowmobile on her farm near Morley.

She is an employee of the Mt. Pleasant Home and Training School, and never rode a snowmobile before, "But I'm going to, now," she said last week.

Diane Pung sold her the winning ticket.

Over \$400 was realized from the ticket sales by the WBA, and proceeds will be used toward construction of flush toilets at Mitchell Memorial Park, officials said last week. WBA members have been working on this project for some time.

Last week was also the annual meeting for election of officers for the WBA.

Mick Schmalbach was named president for the coming year, with Dick Curtiss vice president; Walter J. Smith was re-elected secretary, and Bud Fredrickson re-elected treasurer.

Directors are Don Abbott, Alan Marshall and Jim Clark.

CLYDE J. BEUTLER

This area was shocked and saddened by the unexpected death of Clyde Beutler Sunday in CMC Hospital, where he was a patient for tests.

He apparently died of heart failure, and had been ailing for several weeks.

He was one of our most prominent citizens, having spent his life in public service, and was Chairman of the Isabella County Board of Supervisors when the Medical Care Facility at Mt. Pleasant was completed.

He was a veteran of World War I, and was twice wounded in France in the first drive by American forces.

He was a Past Master and secretary of James A. Cliff Lodge No. 424, F. & A.M., and a 32nd-degree member of the Scottish Rites Consistory at Bay City.

Funeral services included a Masonic service Tuesday evening at 8 p. m. at the Crittenden Funeral Home in Remus, and final services at the Crittenden Home on Wednesday, Dec. 9, at 2 p. m., with Pastor Marvin Eldridge officiating. Burial was in the Forest Hill Cemetery.

Clyde Beutler was born July 31, 1895, the son of John and Eliza Beutler, on the farm southwest of Weidman which John Beutler cleared with his own hands. Clyde spent his lifetime in Sherman Township.

He was united in marriage to Claribel Neebes in 1921.

He is survived by his wife; and five children, Mrs. Robert (Marjorie) Tibbetts of East Lansing, James of Rosebush, Mrs. Forrest (Jeanette) Johnston of Rosebush, and Howard and Carl of rural Weidman. A brother, Hervey

TAXPAYERS TO MEET AT BROOMFIELD GRANGE HALL

A meeting has been scheduled for Friday, Dec. 11, at 8 p. m. at the Broomfield Grange Hall for taxpayers of Isabella County to discuss their grievances.

The meeting is sponsored by the Home Owners' Association, which started in Mt. Pleasant and has spread to include all residents of the county.

There will be a discussion of the GEM Survey Company's findings on our property valuations, one on the county zoning ordinance, and also the purpose of the Home Owners' Association will be explained.

All home and land owners in Isabella County are urged to attend this meeting.

Taxpayers can only be heard if they band together and develop a voice loud enough for officials to listen to.

Don't forget the date--this Friday, Dec. 11, at 8 p. m., the Broomfield Grange Hall, corner M-20 and the Coldwater Road.

for those who became hot and dry after the first couple of hours.

Connie Skinner waited about four hours for her turn to be called (You're given a number, which eventually will be processed and one of the beautiful micro-mini-skirted young things will call you.)

When we finally were called, after about four hours, as we have said, we were informed by the lantern-jawed "interviewer" assigned us that he had no authority to change any figures as to valuation. All he could do was listen to our complaints and make notes if he figured we had any legitimate gripes.

He hauled out our dossier, which contained two complete detail-sheets for two houses, each with a floor-plan drawing of the building.

"You have an old farm house," our "interviewer" observed, "and also a new all-electric house, built in 1970, evidently beside the farm house. That is why the valuation on your home is \$46,200."

Well, to make an excruciatingly long story short, he consented to make a note that we did not have and had not built a brand-new, all-electric house in 1970, valued by GEM Survey at \$38,700, but he would not take the report of the new electric house out of our file.

We snatched it out and laid it on the table and demanded he take it out, and he reached over us and took it and put it back, and we grabbed it out again, and he put it back again, etc.

We do not know if it will remain as taxable property against our old farmhouse property in Weidman.

We do know that the GEM Survey Company's "interviewers" claim they have no authority to change an I-dot or a figure on any valuation set on any piece of property.

"All we can do is hear your complaints and attempt to correct an error if there has been one made."

We claim that, in view of an error of this magnitude, no credence can be placed in any aspect of the GEM survey. We respectfully suggest that the Board of County Commissioners reject the survey in its entirety.

There is a great deal of work being done by private citizens to organize the helpless taxpayers and make a noise loud enough for the Board of County Commissioners to hear.

Contact Richard Tilmann, ph. 644-2278, or Mrs. Leonard Cashen of Mt. Pleasant, ph. 773-5779, for information on what you can do to induce the Com-

missioners to reject this outrageous "survey" by the GEM Company.

Coldwater Lake

Marjorie Schafer, Reporter

Hi:

Well, another week is past and how they slip by so fast, I'll never know.

Last Wednesday evening Ed and I called on my mother, Mable Klumpp, at Ardis Nursing Home and found her in good health and spirits. On our way home we stopped in at Ed's mother's, Tillie Schafer's, and had a nice visit with her.

Friday evening we went down to the house our son Jerry and bride-to-be, Jane Bader, have rented. They invited her parents, George and Virginia Bader, and us down to see the painting they had done. We played cards and were served lunch.

Sunday we went to Shepherd to auction off the rest of the household goods at my mother's house, as the house is up for sealed bids.

Blood donors are needed for Dorothy Schaefer of Coldwater Lake. Friends of the family, or anyone who will donate, may go to CMC Hospital and simply say that this donation is for Dorothy Schaefer. Any donations will be fervently appreciated by the family.

Walt and Delle Wischmeyer left Friday noon for an anniversary celebration of a relative in Ohio. They returned Monday.

Well, guess that's it for this week. I really don't have too much extra time to get news, with the upcoming weddings.

Until next time, Marge.

P. S. --If anyone has any news for Coldwater Lake, please call 644-3967.

Monday evening Joyce Schafer, Renelda Klumpp, Bethal Schafer, Judy Schafer, Ruth Klumpp and I attended a shower for Jane Bader, at her parents' home. She received many nice gifts.

Coldwater Lake

Marjorie Schafer, Reporter
(Omitted Last Week)

Hi:

How's everyone this week? I hope better than I. I just can't seem to get rid of my cold since I had the flu.

Walt and Dellie Wischmeyer spent the weekend in the southern part of the state. They attended a wedding in Ohio.

Jerry Schafer and Jane Bader went to Traverse City Wednesday and helped his sister, Ruth Ann Sherlock, and family move to Kalkaska, where they had lived before. Thursday morning Ed and I and boys, Bill and Bob, went up for Thanksgiving dinner and to help them finish moving.

Friday evening Jerry Schafer and Jane Bader helped her sister, Linda Kandar, and family move to Greenville. Jerry and Jane

have rented the house they lived in.

Had a nice visit with Loretta Lorenz. Pete was resting. He had put in a bad night. Loretta called on Dorothy Tilmann Saturday to wish her a Happy Birthday. Happy Birthday, Dorothy!

Loretta and Pete went to the home of their daughter, Rose Simmer, and not finding her at home, called on Noreen Thelen. Bill and Eva Lorenz and children were their visitors Friday. Thelma Bossche and daughter, Jean, were Sunday visitors.

Curtiss DuVall, teacher at Beal City, was another lucky hunter. He got a nine-pointer.

Sunday evening a number from here attended a wedding reception for Jerry and Betty (Klump) Wilson at the Moose Club in Mt. Pleasant. They flew to Las Vegas on their honeymoon. Those attending from here were Don and Judy Schafer, Al and Ruth Klump and Maxine, Bob and Renelda Klump and sons, Pam Safford, Jane Bader, and Ed and Marge Schafer and son Jerry.

John and Sharon Schafer and family of Bay City called on us Sunday.

HOW CAN IT BE?

(The following Letter to the Editor is reprinted from Grit newspaper.)

My grandson, PFC. John Edward Marcotte, sent me a letter so everyone would know how one man felt about world conditions. The man was a buddy of his named John Volks. He was shortly thereafter killed in a fight with the enemy. These were his thoughts:

"My God, how can it be?... that one boy lies rotting from malnutrition and torture in a jungle prison camp in North Vietnam! Another boy spits and tramples on a flag of his country on the steps of a university!

"That one boy lies sightless in a U. S. Army hospital from communist-inflicted wounds. And another uses a communist flag to drape himself in defiance of the laws of his country.

"That one man of medicine begins his 13th straight hour, standing over an operating table in pursuit of life for a man serving his country. And another man of medicine employs crowds of young men to refuse to serve their country.

"That one soul brother holds the face of his dead white buddy and cries pitifully in a dirty mud hole in Vietnam. And another brother screams with hate against his white brother on the streets of American cities.

"That one boy lies in a coffin beneath the ground. Why? Because he believed in his duty to his country. And another boy lies on a dirty cot, giving blood to the enemies of his country!

"That one man of God shields a wounded boy from an enemy grenade with his body and dies? And

another man of God uses his clothes as a shield to preach hate, dissension and lawlessness!"

We all feel that everyone possible should read this inspiring letter given to my grandson by his friend.

Mrs. Dora B. Andrus
