IT WAS A REAL FIRE AT McCLAIN'S GARAGE

Walter J. Smith, secretary for the Nottawa and Sherman Volunteer Fire Department, told us Saturday that the Firemen had just completed their estimates of damage after the fire at McClain's Weidman Garage recently. The figure is between \$60,000 and \$75,000 in fire damage to the building.

That's a real fire.

Walt said that 12,000 gallons of water were used on controlling the fire, using the local supply and then trucking it in from Lake Isabella, where they have hydrants, giving pressurized water supply.

The Millpond, or Lake Weidman, is out of consideration till the repairs are made (hopefully, in the spring or summer); and, as Walt said, "It's pretty far to run hose out to Lake of the Hills, which of course has plentiful water supply from Walker Creek."

Walt said that the local Firemen had the blaze pretty well under control by the time other units were called in; "But we're thankful they came," Walt said.

The use of water on the McClain fire was a record-breaker, Walt said. Once the local Firemen hauled 15,000 gallons to the county dump down below M-20 to help put out a fire there.

Walt said there were five business places endangered by the McClain fire that night.

Our Volunteer Firemen are planning to move the fire siren from the roof of the fire barn and install it on a tall steel pole.

They are also considering putting down a deep-water well for better water supply, a very sensible plan.

They are still trying to find a tandem truck they can afford, to put the 2,000-gallon water tank on. At present it's on a single truck, and Walt said it needs a tandem truck for safe transport.

Our Firemen, we have always maintained, are the best in the state, and Weidman area people are lucky we have such dedicated, non-paid volunteers to risk their lives putting out fires in the area.

CHRISTMAS PARTY FOR BEAL CITY AREA SENIOR CITIZENS

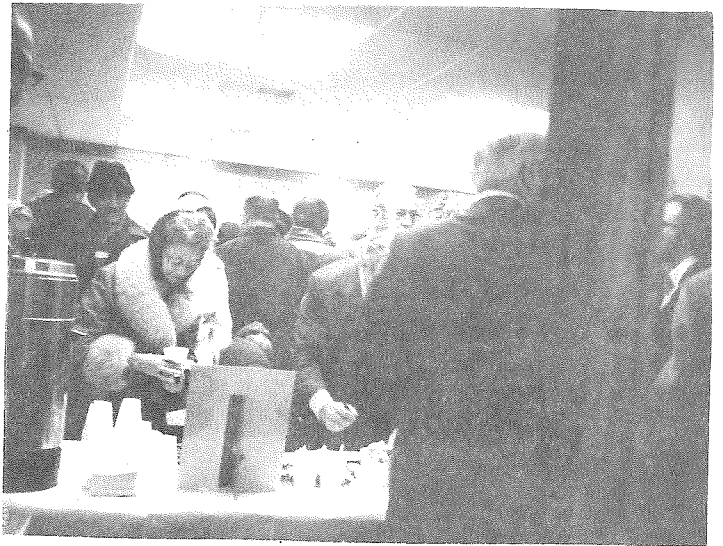

The Beal City Public Schools will hold their Annual Christmas Party for Beal City Area Senior Citizens Tuesday, Dec. 13.

The party will begin at 1.30

MR. AND MRS. TONY TILMANN--Were honored guests at the Grand Opening of the American Security Bank branch in Beal City Monday morning. Tony did the official ribbon cutting (the "ribbon" was a string of dollar bills, quite a spectacular "ribbon".)

An appropriate number of Beal City High School Band members played during the ribbon-cutting.

THE BEAL CITY BANK WAS JAMMED--With well-wishers and customers Monday morning, and parking was overflow at the bank and spilled over all along Beal City's business street. Never have we seen so many people jamming a place with good wishes since the last chicken barbecue at the K.C. Hall in Beal City. Folks came from all over, including Weidman, to wish the bank well, and to congratulate the Beal City people on another fine growth manifestation for the town. The Altar Society of St. Joseph's Church in Beal City supplied yummy cookies (we tasted them!) for the occasion. Beal City really pulls together on its projects, including the addition of its very own bank. Messenger photos

**COLDWATER LAKE COTTAGE
UNDAMAGED IN FIRE**

The Nottawa and Sherman Volunteer Firemen were called out last Thursday evening when a heat tape wrapped around water pipes under the house and stuffed with straw, ignited. Firemen had to pull off some of the siding to get at the blaze, but there was negligible damage, it was reported.

The cottage is owned by William Block of Beal City and was rented to three students from CMU.

Local neighbors had the fire pretty well under control when the Firemen arrived, they reported, but fire fighters had to crawl under the house to get at the fire.

NEWS NOTES

Mr. and Mrs. Dick Tilmann left Monday for their winter home on Long Key, Florida. They have a beautiful large lot with access to both bodies of water down there, the Atlantic Ocean and

the Gulf of Mexico, and Dick says he enjoys fishing off both sides, but really prefers the Atlantic, where the really big fish are. Dick is a vice president in the condominium development on the Key, and is one of the organizers of the Lot Owners' Association, and has held the offices of president and other seats. He says the temperature there is tropical, lowering to 73 to 83 degrees in winter. Their lowest temperature was one night last winter, at 58 degrees.

THANKSGIVING

The Robert Mays and grandson, Aaron Robert Thurston, of Howard City joined Mr. and Mrs. Ed Norton and son, Mike, of Sand Lake, to go caravan-style to Lansing for a festive dinner with their aunts, Doris and Verna Van Wingerden and Altha Crawford. Another special guest was Mrs. May's grandmother, Iva Neely, of Hesperia.

Sunday, at a special pre-Christmas celebration in the Hesperia Methodist Church, Iva Neely, 94, was to present the reading, "Night Before Christmas". Guest of honor was Mrs. Guy Crawford, 101 years old. These active Senior Citizens are a true challenge to the rest of us.

Snow storms slowed the party down some, but not completely, as Robert and Elma June Mays made it through Saturday to visit the Thurston and Nortons in the Sand Lake-Howard City area, only to come home that night to three hours of no heat or light, as many of the West Side residents experienced.

Strange, isn't it? That it's this area that's out repeatedly!

THANKSGIVING STORM

After pleasant weather most of November, we were given a nasty storm Wednesday. Still, many area folks went visiting, or had company. I wish I had a report from all who live up here.

As for this reporter, we did not go to Lansing to join our family for the big family feast.

I went into Weidman in the morning. Coming home, I slid on Duquesa and turned completely around, then, on reaching Carmen Drive, I got stuck on our hill.

However, we were not alone for the day. Renee Bateman

asked us to have dinner with them, so Renee, Nelson, Charles Bateman, Renee's parents, the Charles Fahnestocks, enjoyed a most delicious turkey and trimmings dinner, and a very pleasant time together.

Mr. and Mrs. Lee VanDemark of Lake Isabella spent Thanksgiving Day with their children, grandchildren and great-grandchildren, at the home of their son and wife, Mr. and Mrs. Jerry Dobie, of Lake Odessa. Guests were Marc, Bret and Drew Senters of Lake Odessa, Scott, Greg, Doug and Tom Dobie of Lansing, Mr. and Mrs. Donald Rhodes and two sons, David and Jeff, and David's friend, Dawn Dake, of Lansing; Mr. and Mrs. Alan VanDemark of Alma and two daughters and husbands, Mr. and Mrs. Rowland Anderson of Alma and Mr. and Mrs. Bud Peterman and three children, also of Alma; Mr. and Mrs. Mavin Dobie of St. Louis and two daughters and husbands, Mr. and Mrs. Rowland Anderson of Alma and Mr. and Mrs. Bud Peterman and three children, also of Alma; Mr. and Mrs. Marvin Dobie of St. Louis and two daughters and husbands, Mr. and Mrs. Tom Hall and son, John, of Mt. Pleasant and Mr. and Mrs. Jeff Godley of Mt. Pleasant. Two sons, Jerry VanDemark and family of Ypsilanti and Dick VanDemark and family of California, were unable to be there.

Mr. and Mrs. Gale Francisco of Lake Isabella had as their guests for Thanksgiving dinner their daughter and husband, Mr. and Mrs. Craig Eychamer and daughter, Lisa, of Mt. Pleasant, and Mr. and Mrs. Paul Jones of Lake Isabella.

Mr. and Mrs. Paul Jones had as their guests Friday and Saturday his brother and wife, Mr. and Mrs. Robert Jones, and three children, of Lansing. They had their Thanksgiving dinner Friday.

Visitors of Doris Guerin and

Bob Saturday, Nov. 26, were Bob's brother, Bill, and wife; Betty and daughter, Debbie, and friend, Dennis. They surprised them by bringing a venison steak dinner with all the trimmings. This was greatly enjoyed and appreciated by Doris and Bob, and a pleasant afternoon was had by all.

Bob spent a few days in CMC Hospital, but returned home Saturday, feeling better.

Mrs. Ted Krauss and daughter, Kay Anderson, and granddaughter, Norma, recently returned from a plane trip to San Francisco, where they visited Ted, Jr., son of the Krausses. They drove back by car, which was a gift to Mrs. Krauss from her son. They spent two days in Phoenix, Ariz., visiting Mrs. Joanie Sisco, who is the daughter of Mr. and Mrs. Russell Sisco of Lake. She is attending electronics school in Phoenix. It was a lovely trip, enjoyed by all, but they were happy to be back home at Lake Isabella.

Miss Aleta Krauss and John Connors III of Maple Shade, N.

J., visited her parents, the Ted Krausses for Thanksgiving. They all enjoyed a wonderful dinner at the Embers in Mt. Pleasant. Also present was Kay Anderson and her daughter, Norma Kay, daughter and granddaughter of the Krausses.

Mark and Matthew Krauss of Marquette spent the weekend with their grandparents, the Ted Krausses.
