SO THIS COMING SUNDAY IS THE LIL' MAC PIG ROAST

So the Lil' Mac Pig Roast on the Elwood Miller rolling acres is coming right up--this next Sunday, in fact.

Tickets are available at Weidman stores and from any business man of Weidman and Beal City. Or they can be purchased at the gate.

Admission at the gate includes your ultra-sumptuous roast-pig dinner, complete with Ev Hackney's famous bean soup, home baked dressing, hunks of roast pig meat, baked potato, what have you.

It's a big-day-sized meal, we can tell you.

Folks from all over Michigan--and even from neighboring states--have brought their campers and trailers and spent the weekend on the lovely wooded acres of the Miller farm, enjoying snowmobiles and sleds on the up-and-down hills of the former sheep pasture.

It's a beautiful sight, just to look at the Miller fields--and folks come from all over to enjoy it.

So don't miss it.

It's worth every penny and every effort to get out there and spend the day.

(Keep our fingers crossed for some of the beautiful weather we had over the weekend: Warm-ing but not too warm; cold but not the bone-chilling temps we have been having this winter.) See yuh there!

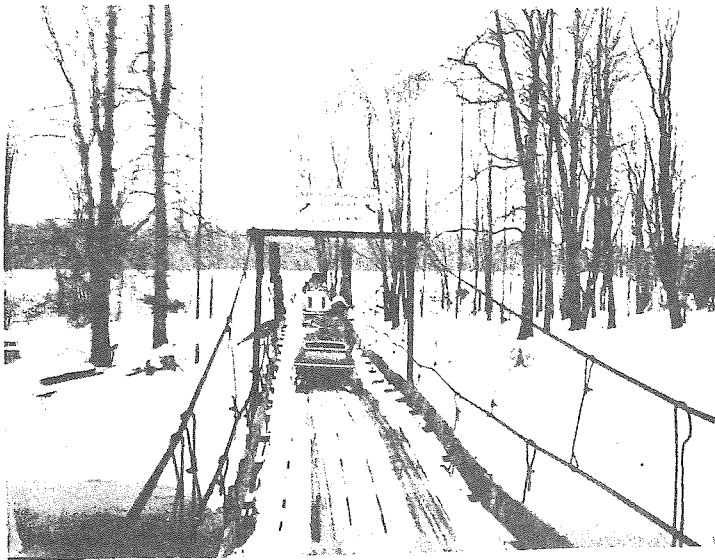

A NICE LITTLE STORE WILL CLOSE ITS DOORS

We're saddened to think of The Pin Cushion girls, Roxanne Smith and Janet Schafer, closing their delightful small store carrying fabrics and sewing and knitting materials only.

We've bought some nice clothing material from those girls, and we've enjoyed having them as members of the Weidman business community.

Better luck, girls, whatever your future plans are!

Ye Ed has been battling a skin

HERE WE GO!--Next Sunday, February 19, is the big day--the Lil' Mac Pig Roast on the Elwood Miller farm. Plans are completed, much of the preliminary work has been done, and only last-minute items such as making the delectable dressing for the pork, and baking home-made bread remains to be done.

Come on out, everybody from all over Michigan (and from adjacent states, too)--and enjoy a day of fun in the snow on the beautiful slopes of the Miller farm. You'll enjoy the entire day, we guarantee!

condition, composed of itchy red blots, over the "back and neck and torso, like a nightmare only more so," with apologies to Ogden Nash.

We finally wound up at a skin clinic in Midland, where the nice young doctor said it was simply a case of nerves.

When we consider the fears and downright tragedies of some of our dear friends and neighbors we try to tell ourself, "Oh, well, what's a little itch?"

No, it isn't catching--unless you're also the nervous type and can "catch" a case of nerves.

Onward and horizontally.

NEWS NOTES

Mrs. Forrest Johnston of East Lansing was a Friday afternoon visitor of her mother, Mrs. Claribel Beutler. Supper guests of Mrs. Beutler were Mr. and Mrs. Mark Johnston of Franklin, Ohio, Mr. and Mrs. James Beutler of Rosebush, and the Howard Beutler family. They all enjoyed the Weidman Lions Club fish fry at the school.

SENIOR CITIZENS HELP OUT ON THE PIG ROAST PREPARATIONS; WORK HARD

Weidman area Senior Citizens have been doing their bit--every bit of it-- on helping on preparations for next Sunday's Lil' Mac Pig Roast on the Elwood Miller farm.

Friday, after their regular 50¢ dinner meal, they crumbled 80 loaves of bread (donated by Roy Adams); and Monday, after their noon meal, they again crumbled another 80 loaves, in preparation for the delectable dressing served on the heaped-up plates at the Pig Roast.

The Seniors really did their part, this year!

They also have wrapped napkins and are scheduled to foil-wrap the potatoes to be baked on the open-fire grills at the Pig Roast.

Mrs. Mitchell McArthur and Mrs. Mike McHugh entertained their card club Monday evening, at Mrs. McArthur's home.

Mr. and Mrs. James Pelham of St. Johns were recent callers of Mr. and Mrs. Wayne Charnes. Mr. Pelham is a former ag instructor in the old Weidman High School.

EVELYN HACKNEY HAS HELP ON THE BEAN SOUP--

But nevertheless she pitches right in and tends the huge vats of simmering goodness all morning on the day of the Lil' Mac Pig Roast. Here she's shown with some of her helpers on the specially-made vats, stirring the delicious soup with the specially-made wooden sticks shaped like rowing oars.

WEIDMAN BOY SCOUTS TAKE HONORS AT DERBY

Troop 692, Boy Scouts of America, of Weidman, attended the Klondike Derby at Camp Rotary in Clare Feb. 11, and came home with some honors.

Representing the troop were Tom, Mike and Peter Smith and Lee Shenk.

The boys came away with a trophy for the fastest time in the Klondike Sled Race, competing with 15 other Patrols.

They also took a First Place Award for the overall derby.

As always, all boys ages 11-18 are urged to attend the Troop meetings each Monday night at 7 o'clock, at the Weidman Methodist Church basement.

We need all the boys we can get. See you there!

SAVINGS BOND SALES AT 32-YEAR HIGH

According to L.A. Johns, president of Isabella Bank & Trust in Mt. Pleasant, Isabella County chairman for the United States Savings Bond program, "Americans purchased nearly eight billion dollars' worth of U.S. Savings Bonds during 1977, the highest annual total ever recorded in peacetime."

Mr. Johns went on to say that sales of United States Savings Bonds in Isabella County in 1977 amounted to \$761,142.

Record numbers of Americans also became regular savers through the payroll savings plan for buying U.S. Savings Bonds.

Many employers in Isabella County offer employees the option of buying savings bonds through the payroll deduction plan. Currently, Series E bonds pay interest at 6 percent if held to maturity. Current maturity on Series E bonds is five years.

Mr. Johns said, "Surveys show

that more than 25 million families--one of every three--now own U.S. Savings Bonds."

U.S. Savings bonds can be purchased in denominations of \$25, \$50, \$75, \$100, \$200, \$500, \$1,000 and \$10,000 with corresponding cost prices of \$18.75, \$37.50, \$56.25, \$75, \$150, \$750 and \$7,500.

We used to be in the Yellow Pages, but that didn't help. We were listed: Flower Shop The, Wdmn. Since I was down in Detroit visiting my children and grandchildren for four days last weekend, there was not much time for news gathering. However, I will try to catch up on it all next week.

We did hear that Mrs. Robert Mays underwent surgery on her jaw at Butterworth Hospital in Grand Rapids Feb. 6, and was doing fine. Hope she will soon be home again.

Everyone seems to be looking forward to the "Lil' Mac" Pig Roast next Sunday, Feb. 19. Some of our residents out here belong to the Senior Citizens

group in Weidman called "Food with Friends". They have been lending a hand by wrapping silverware and cutting up the bread for the delicious dressing which will be served. The Weidman businessmen have been so generous to this group over the past two years, they are pleased to do something in return.

If you have never attended the "Lil' Mac" Pig Roast before, or even if you have, it might be fun to join the snowmobile safari which will be leaving from the Clubhouse at approximately 12 noon. Your "Lil' Mac" tickets can be purchased when you arrive at the gate. So come and join the fun!

For you country-western fans, a group called "The Travelers" plays at Maxfield's Lounge here each Saturday night, 9 p.m. till

1 a.m. They are really good, as you can tell from the crowds that come to hear them and dance to their music.

Two years ago, we had a blizzard with lots of snow, and the high temperature for the day was 19, the low zero. The night before, the low was minus 18.

HE'S STILL UP THERE!
After a cloudy (and stormy!) January, the sun finally decided to show himself again. During the entire month of January we had only 14 sunny or partly sunny days. December was the same.

Ten of the first 12 days of February were sunny or mostly sunny. A good average.

During sunny days, people with windows facing south saved on their heating bills, for the sun warmed those rooms comfortably for several hours. And have you noticed that Old Sol is higher in the sky now, he rises and sets farther to the north, and days are longer?

Now, if only solar and/or wind powered energy were within reach of all of us!
