Dr. and Mrs. L. E. Going enjoyed Saturday and Sunday a week ago at the Straits, to see the new bridge. They went with Mrs. Going's sister and her husband from Nawaygo. Foy Williams of Barryton and Mrs. Going attended Grand Chapter of the Eastern Stars at Grand Rapids during the past week, Monday through Thursday.

North Road Is Paved

Blacktopping on the north road out of Weidman was begun Tuesday morning, and the road now stands a beautiful black ribbon across the pond and out to our friends to the north, east and west up there.

This improvement has been long in coming, and is a direct result of the years-long efforts of the Weidman Business Association to get it going.

Co-operation of four townships was necessary, and they all pitched in generously. They include Sherman, Nottawa, Coldwater and Gilmore, each of which township paid in cash its share for the building of the road.

The road was not completed as we went to press, and was closed to traffic.

Drilling Report

This week's drilling report for the Weidman area on oil tests lists the Weidman well at 2800 feet Monday night, drilling ahead at a little over a hundred feet a day.

John Neyer, contractor, said they expect to encounter the Traverse sand probably Thursday of this week, barring trouble in drilling.

The Wawersik well was dry in the Dundee, at 3800 feet. There was no show of oil or gas, John Neyer said. However, there is some interest manifested in taking the well further down, a few hundred feet, he said, in an effort to locate the Reed City Zone, or the Monroe stratum.

Mrs. Vada Carroll of Washington, D. C., visited her son in Detroit recently, and came on up to Weidman. When she returned to Washington Emma Middlesworth went with her to visit Mrs. Elizabeth Aylsworth. Emma returned last week.

Gary Sprague Runs McClain Garage

George McClain, Jr., has turned over his repair garage business to Gary Sprague, who will carry on auto repair for the area in the same place.

Gary is an old Weidman boy, and his many friends welcome him back.

George, Jr., will run his used-car business and sell new cars under his father's dealership at Barryton, he said this week. He has a fine used-car lot on the main corner of Weidman's business street, and will use the back part of the garage for repair work on his own cars.

Gary is expected to do fine here, having been on auto repair since 1945.

WEIDMAN BOY SCOUTS HAVE GOOD YEAR

Weidman Boy Scouts had a most successful and active year, highlight being a week at Camp Weidman, just west of Mt. Pleasant.

The Scouts are one of the organizations deriving funds from the United Fund drive, just beginning.

Adults participating in the Scout programs, for the Weidman Scouts, include G. L. Middlesworth, Buel Egbert, Ralph Wagner, George McClain, Jr., Robert Bleise, Arlo Vandlen, Wayne Charnes, Harry Herman, Mitchell McArthur, Dan Carrick, David Flower, Mike McHugh, Clayton Dutcher, Clayton Beutler, M. I. Craven, Edwin Courser, John Heron, Rex Wood, Ronna Dutcher, Ardeth Thompson, Esther Skinner, Jean McArthur, Barbara McHugh, and Mary Courser.

Weidman, incidentally, has the longest list of adult helpers on the Scout programs of any other village in the county of Isabella.

ADULT POLIO CLINIC SCHEDULED FOR NOV. 3

The third adult polio clinic will be held at the school cafeteria Monday evening, Nov. 3, from 7 to 9 o'clock.

Everyone is urged to complete the series of Salk shots. It is true that your first and second shots do give protection against the dread disease of polio, but you do not have complete protection until you have had all three shots, it was pointed out this week.

If there are any questions about the clinic, you may call Mrs. Mitchell McArthur, telephone MI4-2791.

United Fund Gets Start Here

Ed Fox, chairman for four townships in the Weidman area, said this week he has secured localized chairmen for all the townships to carry on the work of the annual United Fund drive.

A meeting of the local chairmen was held Wednesday evening, last night, in the Weidman school cafeteria, to get set on plans for a concerted effort. The Weidman Lions Club served doughnuts and coffee to the chairmen and solicitors at last night's meeting.

Mrs. Harris Brown is chairman for Coldwater Township, B. H. Garchow for Gilmore, Mrs. Bill Cornell for Sherman, and Mrs. Julius Bierschbach for Nottawa.

Ed has a fine group of people working with him on the annual charity one-for-all drive.

ENGAGED

Mr. and Mrs. Harry Gatehouse announce the engagement of their daughter, Lou Ann, to William Maeder, son of Mr. and Mrs. John Maeder.

A December 6 wedding is planned. The young couple are building a new home just south of Weidman, across from the Frank Thorp place.

MARRIED IN REED CITY CHURCH

Judy Williams, daughter of Mr. and Mrs. Ercil Williams of Barryton, was married to Sherrill Bongard, son of Mr. and Mrs. Chet Henderson, Sept. 24 at the Methodist Church in Reed City.

After a honeymoon trip to Niagara Falls they are making their home in Barryton.

Ercil and Oral Williams are former Weidman folks, and the family have many friends here.

OES INSTALLATION OPEN TO PUBLIC

Installation of officers of Waubenoo Chapter No. 360, Order of Eastern Star, will be open to the public.

Everyone is invited to see this beautiful ceremony.

Mrs. Dorothy Straus and Mrs. Esther Bower were Thursday callers of Mrs. Virginia Baxter.

FIFTY YEARS AGO--Four cousins got together and had their picture taken. Jessie Rosencrantz brought us these pictures, the above taken Nov. 22, 1908, by H. H. Putman. Left to right are Effie Carpenter, who married Pearl Losey; Jessie Losey, who married Will Rosencrantz; Phoebe Losey, who married Roy Embrey; and Bessie Losey, who married Leon Price.

THIS WAS TAKEN IN JULY, 1958--Same girls, in the same order as that of 50 years ago. The photo was taken by Mrs. Morris Carpenter on the day of the Horr picnic this summer. Phoebe Embrey died this fall, the first of the four cousins to pass on. The girls were happy to get together this summer, after 50 years.

Jessie has many valuable and beloved keepsakes, among them her mother's baby bib, which will be a hundred years old next June; and her mother's trunk, which is 85 years old.

Among her many keepsakes of her youth and school days is a sheet of drawing paper--Jessie was and is a good artist--on which she drew, many years ago, 16 cards, tied together with ribbon put there by her pencil.

Sixteen of her young contemporaries signed the cards, and Jessie said this week that just half of them are still alive. They signed the cards fifty years ago, as follows:

Bessie (Holsted) Leiter, deceased; Pearl Losey, living; Basil Losey, deceased; Fred Beutler, deceased; Robert Hines, living; Lena (Merrihew) Comstock, Edith (Merrihew) Neelands, and Eva Merrihew, all living; Walter Johnson and Nelson Leiter, deceased; and Charlie Losey, living; Oscar Leiter and Jay Elliott, deceased, and Cora Hines and Archie Sampsell, both living.

Wayne Charnes hunted in Midland County with Gordon Lossing. K. C. Charnes shot his first bird on the opening day of the pheasant shooting, Monday. K. C.'s was a nice pheasant.

FORMER RESIDENT KILLED IN DETROIT

Mrs. Earl Smith of Mt. Pleasant came in to renew her subscription, and called our attention to an item in a recent Detroit Free Press.

Mrs. Gladys Fox, 62, was killed when part of a tree her husband was chopping down struck her on the head. Her husband, Willard Fox, was hospitalized in a state of shock.

Mr. and Mrs. Fox were here for the Weidman Days Homecoming this year. Mrs. Fox is a former resident of Weidman, having spent her childhood here. She was the former Gladys Corning.

IT TAKES — TEAMWORK

To give you the kind of GOVERNMENT

Michigan NEEDS to PROSPER

Year after year, Michigan voters have expressed their confidence in the Republican philosophy of government by electing a Republican Legislature in Michigan, but . . . To get the job done you want, we need the rest of the team on the field, too. Here are the members of the team . . . all qualified . . . all believe in the Republican program of sane financing, honesty in taxation, impartiality in dealing with labor-management affairs. YOU NEED THEM TO WIN!

← DONALD A. BROWN

FOR SECRETARY OF STATE

RAYMOND A. PLANK →

FOR STATE TREASURER

← ALLAN G. WEATHERWAX

FOR ATTORNEY GENERAL

JASON L. HONIGMAN →

CHRISTMAS IS SUBJECT OF BEAL CITY MEETING

Decorative Christmas gifts and decor was the subject for the Michigan Home Economics Demonstration Council of Beal City at its meeting Monday evening, Oct. 13.

Mrs. Robert Banninger exhibited an array of aluminum trays in various stages of completion, many very gay and unusual styrofoam door and window ornaments and centerpieces, and the making of sugar bells. She also made some "peanut butter pinwheels," which are candy which is uncooked and contains mashed potatoes.

A very pretty showing of pine stumps, painted and decorated in various ways, was presented by Mrs. Ed Wawersik, and also old jars and containers, gilded and adorned with glitter and discarded jewelry. These can thus turn a useless item into a powder box, candy dish, etc. Both of these demonstrations will be the project to be undertaken by the group at the next meeting.

Mrs. Julius Bierschbach displayed the pine-cone wreath she had completed, and specified the materials needed and the necessary preparation of these articles, so the members could have them ready to be used at a later meeting. These make lovely door decorations or table centerpieces. All of these articles are in-

expensive, but very attractive and of the type anyone could make in a little spare time with a little imagination, to beautify a home.

Nine members volunteered to be solicitors for the United Fund Drive in Nottawa Township.

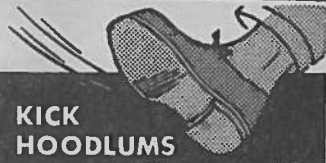

The next meeting is scheduled for Oct. 29.

Guests included Mrs. Walter Zeien, Mrs. Levi Metcalf, Mrs. Nina Forbes and Mrs. Leonard Johnston.

Dessert was served by Mrs. Clarence Schueller and Mrs. William Barz.
